ex wife's testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife's charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence

Curating Art Janet Marstine, Oscar Ho Hing Kay, 2021-12-30

Curating Art provides insight into some of the most socially and politically impactful curating of historical and contemporary art since the late 1990s It offers up a museological framework for understanding watershed developments of curating in art museums Representing the plurality of theory and practice around the expanded field of relational curating the book focuses on curating that prioritises the quality of relationships between people and objects between institutions and people and among people It has wide international breadth with particularly strong representation in East and Southeast Asia including four papers never before translated into English This Asian cluster illuminates the globalisation of the field and challenges dichotomies of East and West while acknowledging distinctions within specific but often transnational cultural spheres The compelling philosophical perspectives and case studies included within Curating Art will be of interest to students and researchers studying curating exhibition development and art museums The book will also inspire current and emerging curators to pose challenging but important questions about their own practice and the relationships that this work sustains
