Phillips, Timothy Pollard**

Max Streaming Same Day Delivery Download:

Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07

Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology *Now Media* Norman J. Medoff, Barbara K. Kaye, 2025-05-06 Now in its fifth edition this book is one of the leading texts on the evolution of electronic mass communication in the last century giving students a clear understanding of how the media of yesterday shaped the media world of today Now Media provides a comprehensive view of the development of media and the subsequent advancements into now digital media Each chapter is organized chronologically starting with print radio and television then moving to the now media of today and finally exploring possibilities for the media of the future Topics include the rise of social media uses of personal communication devices the film industry virtual reality digital advertising and the innovations that laid the groundwork for now media This fully updated fifth edition features new chapters on video games and the business of and careers in now media Discussions on rapidly evolving now media stakeholders such as influencers and YouTubers are included and attention is paid to AI throughout the book This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike **Social Commerce** Efraim

Turban, Judy Strauss, Linda Lai, 2015-11-17 This is a multidisciplinary textbook on social commerce by leading authors of e-commerce and e-marketing textbooks with contributions by several industry experts It is effectively the first true textbook on this topic and can be used in one of the following ways Textbook for a standalone elective course at the undergraduate or graduate levels including MBA and executive MBA programs Supplementary text in marketing management or Information Systems disciplines Training courses in industry Support resources for researchers and practitioners in the fields of marketing management and information management The book examines the latest trends in e-commerce including social businesses social networking social collaboration innovations and mobility Individual chapters cover tools and platforms for social commerce supporting theories and concepts marketing communications customer engagement and metrics social

shopping social customer service and CRM contents the social enterprise innovative applications strategy and performance management and implementing social commerce systems Each chapter also includes a real world example as an opening case application cases and examples exhibits a chapter summary review questions and end of chapter exercises The book also includes a glossary and key terms as well as supplementary materials that include PowerPoint lecture notes an Instructor s Manual a test bank and five online tutorials
