Hard Times Charles Dickens, 2012-03-05 Classic 1845 novel offered a powerful indictment of dehumanizing effects of industrialization Thomas Gradgrind raises his children in strict observance of practicality only to see them fall into lives of desperation and despair *Charles Dickens - Hard Times/Bleak House* Nicholas Marsh, 2015-09-10 This stimulating study takes a fresh look at two of Dickens most widely studied texts Part I uses carefully selected short extracts for close textual analysis while Part II examines the historical and literary contexts and key criticism The volume is an ideal introductory guide for those who are studying Dickens novels for the first time **Dickens, Family, Authorship** Lynn Cain, 2017-05-15 Drawing on a wide range of Dickens's writings including all of his novels and a selection of his letters journalism and shorter fiction Dickens Family Authorship provides a provocative account of the evolution of an author from whose psychological honesty and imaginative generosity emerged precocious fictional portents of Freudian and post Freudian theory The decade 1843-1853 was pivotal in Dickens's career A phase of feverish activity on both personal and professional fronts it included the irrevocable souring of his relations with his parents the peripatetic residence in continental Europe and a massive proliferation of writing and editing activities including the aborted autobiography It was a period of astounding creativity which consolidated Dickens's authorial and financial stature It was also one tainted by loss the deaths of his father sister and daughter and the alarming desertion of his early facility for composition Lynn Cain's substantial study of the four novels produced during this turbulent decade Martin Chuzzlewit Dombey and Son David Copperfield and Bleak House traces the evolution of Dickens's creative imagination to discover in the modulating fictional representation of family relationships a paradigm for his authorial development Closely argued readings demonstrate a reorientation from a patriarchal to a maternal dynamic which signals a radical shift in Dickens's creative technique Interweaving critical analysis of the four novels with biography and the linguistic and psychoanalytic writings of modern theorists especially Kristeva and Lacan Lynn Cain explores the connection between Dickens's susceptibility to depression during this period and his increasingly self-conscious exploitation of his own mental states in his fiction *A Research Guide to Gothic Literature in English* Sherri L. The Figaro Trilogy Pierre-Augustin Caron de Beaumarchais,2003-10-09 The Barber of Seville The Marriage of Figaro The Guilty Mother Eighteenth century France produced only one truly international theatre star Beaumarchais and only one name Figaro to put with Don Quixote or D Artagnan in the ranks of popular myth But who was Figaro Not the impertinent valet of the operas of Mozart or Rossini but both the spirit of resistance to oppression and a bourgeois individualist like his creator The three plays in which he plots and

schemes chronicle the slide of the ancien régime into revolution but also chart the growth of Beaumarchais humanitarianism. Delia Correa Sousa de, 2013-05-13 The essays in this volume trace the experimentation of nineteenth-century writers in advancing new modes of realist fiction while revitalizing the inheritance of the Gothic and the Romantic. Focusing on some of the most popular novels of the century, *Northanger Abbey*, *Jane Eyre*, *Dombey and Son*, *Middlemarch*, *Far from the Madding Crowd* and *Germinal*, this attractive volume explores some of the recurring themes in nineteenth-century fiction: aspiration and vocation, social class, sexual politics, political reform, colonialism and commerce. This is an ideal introduction to some of the major fictional achievements of the first industrial era and to most of the crucial themes in nineteenth-century fiction.

The Routledge Research Companion to Anthony Trollope Deborah Denenholz Morse, Margaret Markwick, Mark W. Turner, 2016-09-01 Bringing together leading and newly emerging scholars, *The Routledge Research Companion to Anthony Trollope* offers a comprehensive overview of Trollope scholarship and suggests new directions in Trollope studies. The first volume designed especially for advanced graduate students and scholars, the collection features essays on virtually every topic relevant to Trollope research, including the law, gender, politics, evolution, race, anti-Semitism, biography, philosophy, illustration, aging, sport, emigration and the global and regional worlds. *Charles Dickens* Lyn Pykett, 2017-03-14 To many of his contemporaries, Charles Dickens was the greatest writer of his age, a one-man fiction industry who produced fourteen massive novels and numerous sketches, essays and stories, many of which appeared in the two magazines which he founded and edited. Today the work of one of the first and most successful mass-circulation authors continues to enthral readers around the world. This wide-ranging book examines the writings of Dickens not only in his time but also in ours. It looks at the author as a Victorian man of letters and explores his cultural and critical impact both on the definition of the novel in the nineteenth century and the subsequent development of the form in the twentieth. Lyn Pykett focuses on Dickens as journalist, literary entrepreneur, the conductor of magazines, the shaper of the serial novel, the manipulator of the multiple plot and the creator of eccentric characters. She also assesses the modernity of the writer's alienated protagonists and their social environments as well as reassessing his representations of the vivid bleak and at times menacing spectacle of the metropolis from the late modern/postmodern perspective of the twenty-first century. Each chapter of this text analyses the work of a particular decade in Dickens's career, providing a lively contextual study which places his writings in relation to the worlds

that made him and the literary worlds which he made It is essential reading for all those with an interest in one of the most popular and enduring British novelists of all time Fifty Key Classical Authors Alison Sharrock,Rhiannon

ANINDRA KUMAR BISWAS, DR. APARAJITA SHUKLA, DR NEELAM SHUKLA, DR. REVANT GAUTAM, PREFACE Literature has always been one of humanity s most enduring ways of making sense of the world From the rhythm of ancient oral storytelling to the fluid prose of contemporary novels the written word carries with it the weight of history memory and imagination Inkbound Realms Traversing the Landscapes of English Literature was conceived as an attempt to bring these diverse voices together in one journey illuminating the traditions transformations and tensions that have shaped English literature across the centuries This book is not meant to be an encyclopaedic record nor a rigid survey of authors and dates Instead it aims to capture the living spirit of literature the way it reflects the concerns of its age while also transcending them Each chapter is crafted to situate texts within their cultural and historical contexts while offering readers concrete examples and case studies that bring the material to life Whether one encounters Chaucer s humour Shakespeare s depth Dickens s social vision or Woolf s experimental prose the intention is to show how these works remain relevant today The work is also guided by an inclusive spirit English literature is no longer the sole property of Britain it is a global phenomenon shaped by writers from Asia Africa the Americas and beyond This book embraces that plurality tracing how English has become a shared language of storytelling capable of expressing local identities while also speaking to universal human experiences I hope that students will find in these chapters a helpful companion to their studies that scholars will appreciate

the synthesis of tradition and contemporary insight and that general readers will discover or rediscover the joy of reading across ages and genres More than anything my aspiration is that this book encourages readers to see literature not as a closed canon but as a set of open landscapes realms bound in ink yet constantly expanding through new voices technologies and cultural encounters As you embark on this journey through the inkbound realms may you not only gain knowledge of English literature but also a renewed sense of its beauty power and capacity to connect us across time and place Authors Anindra Kumar Biswas Dr Aparajita Shukla Dr Neelam Shukla Dr Revant Gautam *The Dead Duke, His Secret Wife, and the Missing Corpse* Piu Eatwell, 2015-10-01 A Book Riot Best Book of the Year Goodreads Choice Award Finalist History Biography It's Downton Abbey meets The Addams Family in this delightfully offbeat history Library Journal At the close of the Victorian era as now privacy was power The extraordinarily wealthy 5th Duke of Portland had a mania for it hiding in his carriage and building tunnels between buildings to avoid being seen In 1897 an elderly widow asked the court to exhume the grave of her late father in law T C Druce under the suspicion that he'd led a double life as the 5th Duke The eccentric duke Anna Maria contended had faked his death as Druce and her son should inherit the Portland millions Revealing a dark underbelly of Victorian society Piu Marie Eatwell evokes an era when the rise of sensationalist media blurred every fact into fiction and when family secrets and fluid identities pushed class anxieties to new heights **The Art of Fiction** David Lodge, 2012-04-30 In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings drawing on writers as diverse as Henry James Martin Amis Jane Austen and James Joyce Looking at ideas such as the Intrusive Author Suspense the Epistolary Novel Magic Realism and Symbolism and illustrating each topic with a passage taken from a classic or modern novel David Lodge makes the richness and variety of British and American fiction accessible to the general reader He provides essential reading for students aspiring writers and anyone who wants to understand how fiction works **Expulsion and the Nineteenth-century Novel** Michiel Heyns, 1994 This lively and original book places the realist novel in the centre of current debates by examining the notion that such novels reinforced existing social structures Includes close readings of authors such as Austen Dickens Eliot Conrad and James *David Copperfield* Charles Dickens, 2008-05-08 Dickens's classic autobiographical tale The hero runs away from boyhood misery and poverty in London to Dover and his aunt Betsey Trotwood meets Agnes meets the Peggotty family and re encounters his childhood friend Steerforth who finally drowns after stealing away Little Em'ly Peggotty Blind to Agnes's affection Copperfield marries empty-headed Dora and becomes a famous writer but after her death begins to love Agnes Almost ruined by the cunning clerk Uriah Heep Copperfield marries Agnes Em'ly is found safe and alive in Australia and Copperfield's old friend Mr Micawber is finally relieved of his debts
