Paces For The Mrcp Paces For The Mrcp:

PACES for the MRCP Tim Hall, 2008 This title is written for MRCP candidates preparing for PACES exam in UK and rest of world Clinical examinations in the OSCE style of marked stations are daunting for all students whether undergraduates or MRCP candidates The recent introduction of the 5 station PACES Progressive Assessment of Clinical Examination Skills exam inspired a great deal of apprehension so the appearance of the first edition of Hall s PACES for MRCP was greatly welcomed by candidates and became an immediate success This new edition builds on the book s reputation It provides in one colourful and attractive volume complete coverage of all the most common medical cases that will be covered in PACES and similar exams A one volume text giving candidates complete preparation for the PACES exam within one portable volume 250 cases organised into the 5 stations of the PACES exam respiratory and abdominal system history taking cardiovascular and nervous system communication and ethics and skin locomotion eyes and endocrine systems Engaging question and answer approach at the end of each case excellent preparation for the exam Boxed tips highlight vital information helps identify what is most important to remember Produced in full colour throughout Colour coding for each station Many more illustrations added now over 300 clinical photographs and line drawings in colour Many more cases added bringing the number up to 250 50 per station History taking and communication skills stations now revised so that they exactly mimic the requirements of the exam

An Aid to the MRCP PACES, Volume 1 Robert E. J. Ryder, M. Afzal Mir, E. Anne Freeman, 2012-10-01 This new edition of An Aid to the MRCP Paces Volume 1 Stations 1 and 3 has been fully revised and updated and reflects feedback from PACES candidates as to which cases frequently appear in each station The hundreds of cases have been written in accordance with the latest examining and marking schemes used for the exam and together with exam hints tips routines and clinical checklists provide an invaluable training and revision aid for all MRCP PACES candidates

The MRCP PACES Handbook Saira Ghafur, Samuel Blows, Parminder Judge, Richard Kitchen, 2011 The MRCP PACES is a challenging examination as it requires both in depth knowledge and the ability to present the selected case concisely and coherently This essential revision aid is designed to help candidates achieve both aims whilst simultaneously being compact enough for ward use and comprehensive enough for self study The book incorporates the new Station 5 brief clinical encounters clinical information on the increasingly widespread use of biological therapies a bank of clinical pictures details of the latest investigations and management options and questions reflecting both the standard and detail required for the exam and the new MRCP PACES marking structure Each chapter has been reviewed by consultants within the specialty many of whom are Royal College examiners The cases which mirror those most frequently encountered in the examination are all set out in a standardised format and include hints and tips as well as a summary of consolidated key learning points Each case contains a section on presentation which will aid the candidate in perfecting this skill Although most appropriate for MRCP PACES examination candidates the book s clear structure and balance of detail and clarity make it useful reading for medical students and

trainee physicians It will also be an excellent resource for clinicians involved in teaching students and doctors The style is succinct not minimalist but sufficient The presentation is fresh and logical The authors have done an outstanding job in introducing the setting for the PACES examination and the expectations of the examiners from the Foreword by Bryan Williams

Aid to MRCP PACES R E J. Ryder, 2012 *PACES for the MRCP* Tim Hall (MRCP(UK)), 2003 This new book is a highly structured case based text to help candidates pass the new MRCP PACES Practical Assessment of Clinical Examination Skills examination Its contents correspond to the five clinical stations of the exam and the systems that each contains Each system is covered in a structured way providing an examination scheme followed by a series of detailed case based clinical scenarios The book also covers the communication and history taking skills and ethics stations which are new to this exam Designed to thoroughly prepare candidates for the Practical Assessment of Clinical Examination Skills PACES Written as a systematic text which exactly complements the format of the exam Station 1 Respiratory System Abdominal System Station 2 History Taking Skills Station 3 Cardiovascular System Nervous System Station 4 Communication Skills and Ethics Station 5 Skin Locomotor System Eyes Endocrine Uses a practical user friendly case based format Each system in Stations 1 3 and 5 starts with a detailed examination scheme followed by a unique Recognition Interpretation Discussion format for each case This has been carefully designed to make preparing for PACES efficient and maximise marks on the day of the exam Stations 2 and 4 both start with introductions to the history taking and communication skills tested in the exam Cases then follow each comprising boxed history taking or communication skills ethics points relating to the case followed by questions and answers The book is an up to date detailed medical text for PACES candidates striking the balance between the need to be concise and the needs to carefully explain concepts which candidates find difficult Suitable as a ward adjunct in the months and weeks prior to PACES and may also be used for quick reference close to the exam Recognises the needs of busy doctors preparing for the exam Suitable for medical students approaching final MB Suitable also for PLAB candidates FRACP etc
