Pain Has No Expiration Date:

True Love Has No Expiration Date ABMeneses, 2025-06-29 Who would have thought that a quiet young woman dreaming only of a diploma would find herself in a world of luxurious mansions secret agreements and a man more elusive than summer rain Gabriela Navarro a rebellious daughter a defiant student would become the center of an unusual story of sacrifice freedom and surprise love It all began with a contract she didn't want a paper she signed with a heavy heart but accepted for the sake of her family A decision she never imagined making She thought that was the end of her dreams to become a skilled accountant to have a peaceful life free from worry and to live without the fear of debt But all that was shattered because Mr Gordon de Guzman a mysterious businessman whom you'd genuinely fear had other plans like your boss in a horror movie where you never know when he'll jump out She didn't dream of this She didn't ask for this either But one day fate simply led Gabbi to a familiar yet foreign world Gordon's mansion A world of deafening silence secrets seemingly hanging in every corner and questions that no one there wanted to answer Like a grand asylum of mystery A contract was put in place A promise was made Was there also a curse attached to it all In a mansion where time seemed to stand still where every minute felt like an hour under lights that offered no warmth began the story of a young woman and a man who never questioned what was right because they were both too busy doing what they thought was wrong Or was it right in the end We don't know But what we do know is that sometimes the most important stories begin with things we don't understand with decisions that seem wrong at first but lead to outcomes far beyond our expectations
