Good Enough to Be Great Josh Barr, 2013-02-12 The 2001-02 season was a magical one for the Maryland basketball team culminating in the school's first ever NCAA title But as Washington Post sportswriter Josh Barr reveals here it was never an easy road Barr who has spent four years on the Maryland beat had unrivalled access to Terrapin coaches and players and here he provides the extraordinary behind the scenes story of Maryland's rise to glory He also reveals how under Williams's leadership players most observers had sneered at became the best team in college basketball Barr offers keen insight into just what separated the Terrapins from every other team in the country and from previous Maryland teams that always came up short Along the way we get riveting portraits of unlikely All American Juan Dixon who in high school lost both parents to drug related AIDS standout center Lonny Baxter once considered too short and too chubby to play big time college basketball sophomore Chris Wilcox the amazingly talented but frustratingly inconsistent forward fiery Gary Williams the coach who many critics had said could never win the big one and many others This is a remarkable

story of talent and determination at college basketball's highest levels *Middle Class Shanghai* Cheng Li, 2021-05-11 The United States may be headed toward a disastrous conflict with China unless Washington updates its understanding of contemporary Chinese society After four decades of engagement the United States and China now appear to be locked on a collision course that has already fomented a trade war seems likely to produce a new cold war and could even result in dangerous military conflict The current deterioration of the bilateral relationship is the culmination of years of disputes disillusionment disappointment and distrust between the two countries Washington has legitimate concerns about Beijing's excessive domestic political control and aggressive foreign policy stances just as Chinese leaders believe the United States still has futile designs on blocking their country's inevitable rise to great power status Cheng Li's *Middle Class Shanghai* argues that American policymakers must not lose sight of the expansive dynamism and diversity in present day China The caricature of the PRC as a monolithic Communist apparatus set on exporting its ideology and development model is simplistic and misguided Drawing on empirical research in the realms of higher education avant garde art architecture and law this unique study highlights the strong constructive impact of bilateral exchanges Combining eclectic human stories with striking new data analysis this book addresses the possibility that the development of China's class structure and cosmopolitan culture exemplified and led by Shanghai could provide a force for reshaping U S China engagement Both countries should build upon the deep cultural and educational exchanges that have bound them together for decades The author concludes that U S policymakers should neither underestimate the role and strength of the Chinese middle class nor ostracize or alienate this force with policies that push it toward jingoistic nationalism to the detriment of both countries and the global community With its unique focus this book will enlighten policymakers scholars business leaders and anyone interested in China and its increasingly fraught relations with the United States Who's #1?
