The Political Football Stadium Başak Alpan,Albrecht Sonntag,Katarzyna Herd,2023-07-01 This book focuses on the football stadium as a political space and examines how stadiums can be viewed as the objects and catalysts of political change Rather than acting as functional constructions designed merely to host football games stadiums stand out in the urban landscape as landmarks that serve as gathering points for large communities The manifestation of the political in football stadiums can be heard in the discontent voiced by supporter activism in the use of stadiums for national and local identity politics in attempts to instrumentalize emotions by both totalitarian and democratic regimes among fan groups in political uprisings and in the surveillance of fans through e tickets and seat allocation This edited collection brings together a variety of case studies from a wide range of different contexts Contributors stem from political science sociology history anthropology human geography and urbanism As such the book redefines and broadens what we understand as the political dimension of the football stadium Digital Death Christopher M. Moreman,A. David Lewis,2014-10-20 This fascinating work explores the meaning of death in the digital age showing readers the new ways digital technology allows humans to approach prepare for and handle their ultimate destiny With DeadSocial™ one can create messages to be published to social networks after death Facebook s If I Die enables users to create a video or text message for posthumous publication Twitter _LIVESON accounts will keep tweeting even after the user is gone There is no doubt that the digital age has radically changed options related to death dying grieving and remembering allowing people to say goodbye in their own time and their own unique way Drawing from a range of academic perspectives this book is the only serious study to focus on the ways in which death dying and memorialization appear in and are influenced by digital technology The work investigates phenomena devices and audiences as they affect mortality remembrances grieving posthumous existence and afterlife experience It examines the markets to which the providers of such services are responding and it analyzes the degree to which digital media is changing views and expectations related to death Ultimately the contributors seek to answer an even more important question how digital existences affect both real world perceptions of life s end and the way in which lives are actually lived Campaigns on the Cutting Edge Richard J. Semiatin,2020-04-10 Campaigns on the Cutting Edge evaluates the current trends of today s campaigns and assesses the innovative changes these well tuned organizations are making on

the presidential congressional and gubernatorial levels As technology now allows candidates to announce their candidacies online raise money through web fundraising and mobilize supporters via smartphones these increasingly mobile and integrated campaigns face the growing influence of outside interests The thoroughly updated Fourth Edition looks at the 2018 midterm election and focuses on the rise of fake news women s activism in the MeToo movement voter ballot access measures and the ways in which technology increases the volume of information that campaigns use
