Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit's communities this book provides a uniquely comprehensive overview of the platform's first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology

Creative Destruction John T. Dalton, Andrew J. Logan, 2024-06-19 What is creative destruction Creative destruction what the economist Joseph Schumpeter called the essential fact about capitalism describes change or disruption in the economy caused by innovations that replace traditional technologies and practices Creative destruction is a force so powerful that it has not only shaped economies but also politics culture and social relations In clear and accessible prose Dalton and Logan illustrate the nature and varieties of creative destruction how it is central to innovation and entrepreneurship and why it is important for economic growth With in depth case studies of how Netflix challenged and displaced Blockbuster and how Uber and other ride sharing companies are disrupting traditional taxi services this book examines how economies societies and cultures change due to the innovation and experimentation that is central to the prosperity of free societies

Language and Mediated Masculinities Robert Lawson, 2023 From television shows to the manosphere and from alt right communities to fatherhood forums debates about masculinity have come to dominate the media landscape What does it mean to be a man in contemporary society How is masculinity constituted in different media spaces This growing cultural tension around masculinities has been discussed and analyzed both for general audiences and in burgeoning academic scholarship What has been typically overlooked however is the role that language plays in these mediated performances of masculinity In *Language and Mediated Masculinities* Robert Lawson draws on data

from newspapers social media sites television programs and online forums to explore language and masculinities across a range of media contexts The book offers a critical evaluation of the intersection between language masculinities and identities in contemporary society and addresses three key questions How are masculinities constructed in both public and private spheres through linguistic and discursive strategies How does language about masculinity and men affect and recreate gender ideologies in different social political and historical contexts What might the language of men tell us about the state of contemporary gender relations in the twenty first century Lawson furthers our understanding of how language is implicated in re creating gender ideologies and how it shapes contemporary gender relations Against a cultural backdrop of rising neoliberalism ethnic nationalism online radicalization networked misogyny and fractious gender relations this book is an important contribution to charting how language is used to monitor evaluate and police masculinities in online and offline spaces From Data to Models and Back Giovanna Broccia, *Programming Social Applications* Jonathan
