Stop wasting time scrolling, build instant influence, and follow a proven system to monetize short-form video Rowan Delacroix, 2025-09-09. TikTok isn't just a place for viral dances and funny clips; it's one of the fastest growing platforms to build influence and generate income. But most beginners waste time chasing trends without any strategy, leaving them with views that don't convert into followers and followers that never become customers. Clips to Cash is your step-by-step beginner's playbook for turning short-form video into profit. Inside, you'll learn how to create content that grabs attention, grow an audience that actually cares and unlock multiple monetization channels from ads and brand deals to affiliate partnerships and product sales. This isn't about luck or gimmicks; it's a practical system that shows you how to leverage the power of TikTok to grow influence and earn income, even if you're starting with zero followers. If you want to stop scrolling and start earning, this book is your launchpad. **Musicking TikTok** Juan Bermúdez, 2024-12-12. This ethnographic work about TikTok's musicking in a glocal Austrian context complements and builds upon ethnomusicological assumptions, theories

and methods for the study of musical practices in digital spaces An overview of elements that make up TikTok s interface as well as the technical performative possibilities that it allows this book introduces a general categorization of existing performance types and how TikTokers appropriate the platform to make their music It illustrates how some TikTokers became aware of and began using TikTok and it reviews some of the different strategies TikTokers apply to learn how to use the application and successfully develop their performances Berm dez explores how performers move from being ordinary users to becoming TikTokers developing and performing an identity he calls TikTok Persona Moreover he discusses how some TikTok practices can and have occurred across multiple interconnected platforms and he examines how localities are articulated and negotiated in these contexts Berm dez argues for an understanding of musicking as a multimedia practice that different actors create and experience individually in everyday synchronous and asynchronous physical and digital situations The so called TikTokers create a sense of identity and community through their performances This study suggests that a digital performance can be aside from a representation of reality an integral part of it serving as a fundamental space for constructing and performing identity
