**EASYUNI Ultimate University Guide 2014** easyuni Sdn Bhd, 2014-10-31 Talk does not cook rice That's a Chinese saying and it's so true You can talk all you want about your plans but they end right there if you're unable to take steps to accomplish them With this year coming to an end it's time you gather the courage to accept where you currently stand Have you applied for the scholarship that could take some burden off your nances Have you sat for the exam that could open the door to the career of your dreams Have you attended the seminar that could guide you to your courses Have you met with the course counselor who could advise on your future career It's all about planning and working hard to make those plans a reality Nothing reveals your character more than your determination to succeed To help get things on the right track is what the easyuni.com Ultimate University Guide all about We keep our readers at the core of our focus Like every issue we have some very instructive articles to guide you in making informed decisions about your future career Like the magazine you're now holding with a fresh and clean design our website has been redesigned to make it more intuitive and user friendly For instance now you not only get to see universities based on your subjects and study level but also filter your search results based on rankings tuition fees and many more preferences For example if you're looking for a university with a low fee you can just set your budget preference using our slider and find the universities which fall under your budget range Similarly if a student is looking for top universities just sort the search results by rankings It's that easy Till we meet again next year I leave you with a gem from the father of invention himself Thomas Alva Edison Genius is 1 percent inspiration 99 percent perspiration It's time for you to shine Edwin Tay Editor's Note CEO [Global University Rankings and the Mediatization of Higher Education](#) Michelle Stack, 2016-04-12 Higher Education Institutions simultaneously critique and participate in national and international rankings of universities However this creates a difficult situation since if universities do participate in rankings they acquiesce to a system based in media logics that has little to do with academic norms of research If they do not participate in the rankings they risk losing public funding students and donors in an increasingly competitive and globalized environment This book delves into the influence of journalists business tycoons and multinational corporations in defining what world class is and how it will be measured Rankings provide us with a rich study for understanding how universities define deploy and manage their assets and liabilities in a mediatized globalized economy *World University Rankings and the Future of Higher Education* Downing, Kevin, Ganotice, Jr., Fraide A., 2016-10-06 Delivering quality education to students while remaining competitive at an international level is only one of the many challenges universities face today To attain their goals universities must adopt new strategies to achieve academic excellence World University Rankings and the Future of Higher Education is a pivotal reference source for the latest scholarly research on the implementation of a ranking system for higher education institutions providing a thorough overview of the impacts of these rankings on educational quality Exploring the benefits and challenges of this system in a global context this book is ideally

designed for academicians researchers students administrators and policy makers interested in the effects of university rankings in the education sector and beyond

*On Video Games* Soraya Murray, 2017-10-30 Today over half of all American households own a dedicated game console and gaming industry profits trump those of the film industry worldwide In this book Soraya Murray moves past the technical discussions of games and offers a fresh and incisive look at their cultural dimensions She critically explores blockbusters like *The Last of Us* *Metal Gear Solid* *Spec Ops* *The Line* *Tomb Raider* and *Assassin's Creed* to show how they are deeply entangled with American ideological positions and contemporary political cultural and economic conflicts As quintessential forms of visual material in the twenty first century mainstream games both mirror and spur larger societal fears hopes and dreams and even address complex struggles for recognition This book examines both their elaborately constructed characters and densely layered worlds whose social and environmental landscapes reflect ideas about gender race globalisation and urban life In this emerging field of study Murray provides novel theoretical approaches to discussing games and playable media as culture Demonstrating that games are at the frontline of power relations she reimagines how we see them and more importantly how we understand them

*The Complete MD/PhD Applicant Guide* Jonathan Sussman, Jordan Setayesh, Amitej Venapally, 2020-09-22 This book is a student reference guide book for the MD PhD application process It begins with an overview of the structure of a typical MD PhD program as well as student outcomes and career choices of MD PhD graduates Next is an outline of the academic and extracurricular prerequisites as well as the basic components of the application itself The authors then address the factors that MD PhD students should consider when selecting schools to which to apply Continuing to the main application examples are provided of all the different essay types that MD PhD applicants will encounter along with comments on how to address the deliberately vague and abstract prompts while tailoring the responses to the combined degree program Most uniquely included is a very detailed explanation of the many types of interviews that applicants will encounter and how to prepare for them by integrating extensive personal experience and first hand discussions with MD PhD program leaders Lastly there will be a discussion on how to cope with the year long timeline that constitutes this application process and provide guidance regarding properly responding to acceptances and waitlist offers Written by a team of authors each experienced with the MD PhD application this book aids the prospective applicant with navigating this challenging process
