store today Scaling Innovation Madhavan Ramanujam, Eddie Hartman, 2025-08-05 You've built a great product now what
The brutal truth most startups and scale ups don't fail because of bad products They fail because they never figure out how
to grow fast and profitably Some chase market share at all costs burning cash on customers who won't pay enough to sustain
the business Others over monetize too soon pushing away the customers they need to reach scale Still others obsess over
customer loyalty missing larger markets and monetization potential And then there are those who assume a great product
will sell itself only to realize too late that pricing packaging positioning and value selling matter just as much The true
winners take a different approach They adopt a Profitable Growth Mindset refusing to choose between market expansion and
monetization instead they dominate both Instead of relying on instinct or momentum they architect growth with precision
making every move count towards building enduring value In this highly anticipated sequel to Monetizing Innovation
Madhavan Ramanujam and Eddie Hartman unveil a battle tested playbook for architecting profitable growth Drawing from
their experience advising over 400 companies including 50 unicorns the authors dissect both legendary successes and costly
failures Packed with real world case studies hard hitting insights and nine breakthrough strategies Scaling Innovation
reveals how founders executives and investors need to navigate the critical transition from product market fit to building an
enduring high value business If you want to scale smartly outmaneuver competition and unlock exponential revenue this
book will show you how Inside You ll Learn Why the single engine strategy dooms so many businesses and how to avoid it
