for Sale Megan Basham,2024-07-30 AN INSTANT NEW YORK TIMES BESTSELLER This may just be the single most important book on modern Evangelicalism in recent years It is bold clear and very well researched John MacArthur Some will quibble over details but no one should miss the powerful warning in this book We face a gathering storm as Winston Churchill warned a century ago but this time the enemy is inside as well as outside the gates Every convinced and unashamed Evangelical should read ponder and pray over this important book Os Guinness How deeply have leftist billionaires infiltrated America s churches In *Shepherds for Sale* Megan Basham of the Daily Wire documents how progressive powerbrokers from George Soros to the founder of eBay to former members of the Obama administration set out to change the American church Their goal to co opt evangelicals for political purposes She exposes The left wing billionaires foundations and think tanks that deliberately target Christian media universities megachurches nonprofits and even entire denominations The celebrity megachurch pastor who secretly encouraged a group of pastors to change their views on sexuality The revered Presbyterian theologian who backed a congregation rebelling against his own denomination These are just a glimpse into the compromises and astroturf campaigns Basham uncovers Many evangelical leaders are pushing their members to whisper about sexual sins reconsider the importance of abortion lament the effects of climate change and repent of perpetuating systemic racism And in exchange for toeing a left wing line many of those church leaders and institutions have received cash career jumps prestige and praise Basham brings the receipts and names names A rigorously reported expos *Shepherds for Sale* is a warning of what happens when the church trusts the world s wisdom instead of Scripture

Pumpkin Cindy Ott,2012-12-01 Why do so many Americans drive for miles each autumn to buy a vegetable that they are unlikely to eat While most people around the world eat pumpkin throughout the year North Americans reserve it for holiday pies and other desserts that celebrate the harvest season and the rural past They decorate their houses with pumpkins every autumn and welcome Halloween trick or treaters with elaborately carved jack o lanterns Towns hold annual pumpkin festivals featuring giant pumpkins and carving contests even though few have any historic ties to the crop In this fascinating cultural and natural history Cindy Ott tells the story of the pumpkin Beginning with the myth of the first Thanksgiving she shows how Americans have used the pumpkin to fulfill their desire to maintain connections to nature and to the family farm of lore and ironically how small farms and rural communities have been revitalized in the process And while the pumpkin has inspired American myths and traditions the pumpkin itself has changed because of the ways people have perceived valued and used it *Pumpkin* is a smart and lively study of the deep meanings hidden in common things and their power to make profound changes in the world around us
