It discusses the concepts and practices of Hinduism, Islam, Buddhism, Christianity, Jainism, and Sikhism and their impact on overall well-being. As the global enthusiasm for Indian spirituality grows, this book brings together scholars to share their perspectives and reflections on various religious aspects. The chapters offer readers a psychological capsule of mental health, well-being, compassion, kindness, character, strength, mind-body relationship, and mindfulness, providing practical strategies for a better quality of life. Furthermore, this book offers insights into the different perspectives of happiness and well-being measured across diverse demographics. It also provides a qualitative conceptualization of happiness among older people, reflections on positive aging, and highlights the facilitators and inhibitors of happiness. With its comprehensive coverage and multidisciplinary approach, this book serves as a valuable reference for postgraduate and doctoral students of Psychology, as well as a treasure trove in the libraries for researchers and faculties associated with spiritual psychology, positive psychology, religious studies, comparative literature, mental health, professionals, academicians, and anyone interested in allied health fields.
