in a commercial setting where YouTube now competes with other powerful social media and streaming television platforms. Meanwhile YouTube's diverse communities of content creators who developed the platform's most distinctive cultural forms and genres have strong ideas and interests of their own. While preserving the original edition's forensic analysis of YouTube's early popular culture and uses this fully revised and updated edition weaves fresh examples, updated theoretical perspectives and comparative historical insights throughout each of its six chapters. Burgess and Green show how over its more than a decade of existence YouTube's dual logics of commerciality and community have persisted, generating new genres of popular culture, new professional identities and business models for the media industries and giving rise to ongoing platform governance challenges. The book is essential reading for anyone interested in the contemporary and future implications of digital media platforms and will be particularly valuable for students and scholars in media communication and cultural studies.

How I Make Money Online Marcin Muszynski, 2014-01-02. This e-book is fully based on my own personal experience after trying few paid systems and on my own trials and errors. I have decided to write it because I have been successfully making money online for the last couple of months and I will share with you my experience. I will tell you on the next couple of pages what you have to do and what must be avoided. I will discuss all methods that I tried and I will tell you how to promote your business or product if you are on a tight budget.

Professional Journal of the United States Army, 2009 *90+ Days of Promoting Your Book Online: Your Book's Daily Marketing Plan - THIRD EDITION* Angela J. Hoy, Richard D. Hoy, 2012-01-01. 90 DAYS OF PROMOTING YOUR BOOK ONLINE. Your Book's Daily Marketing Plan. Promote Your New Book OR Breathe Life Back Into an Older One. Do you want to generate sales for your book but just aren't sure what steps to take? This is for you. Promoting your book online should be considered at least a part-time job. Highly successful authors spend more time promoting a book than they do writing it a lot more. We know what you're thinking. You're an author, not a marketer. Not to worry. We have more than 20 years of successful online book selling experience under our belts and we're going to teach you how to promote your book effectively online and almost all of our techniques are FREE. WHAT'S THE BIGGEST MISTAKE AUTHORS MAKE? If you really want to sell books, don't do what most authors do: dump your book at a few websites and walk away hoping it'll catch on some day. With more than a million books published each year now, that doesn't work. Promote your

book aggressively using the easy tips and schedule provided in this book Online book promotion is not only simple but if you have a step by step day to day marketing plan this book it can also be a very artistic endeavor which makes it fun for creative folks like you Yes online book promoting can be EASY and FUN Let us show you how from Day 1 through Day 90 and beyond
