Olson, 2024-08-20 A fun and fascinating deep dive for devoted and loyal MST3K fans Library Journal that reveals the impact and creation of the cult hit television series Mystery Science Theater 3000 Few television shows can boast the long term cult popularity and cultural influence of Mystery Science Theater 3000 or MST3K to its legions of devoted fans known collectively as MSTies Created by quirky standup comic Joel Hodgson and

producer Jim Mallon Mystery Science Theater 3000 was a low budget and altogether unconventional comedy series about a man trapped in space and forced to watch the worst movies ever made alongside a pair of homemade wisecracking robots named Tom Servo and Crow T Robot In Mystery Science Theater 3000 A Cultural History Matt Foy and Christopher J Olson explore the vast cultural influence of the cult television series charting how the show s aesthetics style of humor and distribution innovations heralded shifts in popular culture and media production and criticism The show also engaged viewers in the do it yourself media subculture of the 1980s that blurred the lines between media producers and consumers and introduced the art of media riffing into popular culture Beginning with the humble origins of MST3K Foy and Olson dig into everything from the show s journey across networks to the must watch episodes Also discussed are the endeavors of cast members after the show s cancellation including RiffTrax Cinematic Titanic and the Mads Are Back as well as the show s second life through a Kickstarter campaign and a Netflix revival This is an essential guide to all things MST3K for fans both new and old

Netflix's Speculative Fictions Colin Jon Mark Crawford,2020-12-10 Netflix s Speculative Fictions Financializing Platform Television argues that Netflix s scaled expansion has hinged upon its ability not only to create but more importantly to communicate new forms and flows of potential value in platform capitalism wherein capital is mobilized not only from direct revenue streams but also the new value assigned to inputs and investments of data debt attention behavior taste time sociality and speculation To interpret and critique these new communications and projections of value Colin Jon Mark Crawford performs a discursive analysis of the platform television industry leader Netflix and its investor lore the multi sited narrative of value found in the company s investor relations materials and corporate communications such as letters to shareholders financial earnings reports executive interviews press releases and blog posts Netflix best represents the increasingly ubiquitous nexus of culture tech and finance industries that is platform television To better understand the emergent financial logics of this relatively new media industry we must first understand the speculative narratives and discourses of value which organize it Scholars of media studies television studies technology studies and economics will find this book particularly useful

To the Edge Philip A. Wallach,2015-04-21 Were the radical steps taken by the Treasury Department and Federal Reserve to avert the financial crisis legal When and why did political elites and the general public question the legitimacy of the government s responses to the crisis In *To The Edge* Legality Legitimacy and the Responses to the 2008 Financial Crisis Philip Wallach chronicles and examines the legal and political controversies surrounding the government s responses to the recent financial crisis The economic devastation left behind is well known but some allege that even more lasting harm was inflicted on America s rule of law tradition and government legitimacy by the ambitious attempts to limit the fallout In probing these claims Wallach offers a searching inquiry into the meaning of the rule of law during crises The book provides a detailed analysis of the policies undertaken from the rescue of Bear Stearns in March 2008 through the tumultuous events of September 2008 the passage of the TARP and its broad usage the alphabet soup of

emergency Federal Reserve programs the bankruptcies of Chrysler and GM and the extended public ownership of AIG Fannie Mae and Freddie Mac Throughout Wallach probes the legal bases of the government's actions and explores why concerns about the legitimacy of government actions were only sporadically grounded in concerns about legality and sometimes ran directly against them The public's sense that government officials operated through ad hoc responses that favored powerful interests has helped bring the legitimacy of American governmental institutions to historic lows Wallach's book recommends constructive and sensible reforms policymakers should take to ensure accountability and legitimacy before the government faces another crisis

Winning the Long Game Steven Krupp,Paul JH Schoemaker,2014-12-02 Are you winning the battle but losing the war Every leader has to deliver the goods make budget meet deadlines and deftly manage people to provide the inspirational fuel that keeps their business running day in and day out But therein lies the danger of winning today s battle and losing the war that is the long game of creating sustainable value in a volatile uncertain world that is becoming ever more complex and ambiguous The number one business challenge is winning the long game by being more strategic developing the skills to look outside the four walls of the organization and see the world from the future back Steven Krupp and Paul J H Schoemaker bridge the gap between what many see as the separate domains of strategy and leadership to show how to develop the discipline of strategic leadership in a world of growing uncertainty Pragmatic to the core Winning the Long Game creates vivid insights into the discipline of strategic leadership by applying it systemically through personal portraits of successful business leaders The book profiles Elon Musk Richard Branson and Sara Blakely as well as world renowned figures like Pope Francis Oprah Winfrey and Nelson Mandela What makes these strategic leaders successful is highlighted by contrasting them with others who are either mediocre or outright failures Winning the Long Game is the must have playbook for every leader and for any manager seeking to become more strategic in today s topsy turvy world

When Comedy Goes Wrong Christopher J. Gilbert,2025-04-01 While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the charades of

cancel culture and ultimately to so called Alt Right comedy the transgressions improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor s goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert imagines a nuanced sense of humor for a tumultuous world Ultimately When Comedy Goes Wrong transcends partisanship to explore the uglier parts of American culture imagining the stakes of doing comedy and being comical as a means of survival

Hidden in Plain Sight Erich Joachimsthaler,2007-03-30 Companies must innovate to grow but they often forget to look beyond their own brands Take Sony for example Its success with consumer innovations like the Walkman blinded it to obvious changes in how when and where people wanted their music Apple capitalized on those changes in demand with the iPod providing a new way of listening to music and of managing one s entire music library This book explains how you can spot these opportunities that are hidden in plain sight It introduces the demand first innovation and growth model that will show you how to become an unbiased observer of people s consumption and usage behaviors Refining this skill helps companies generate organic growth through new products services solutions and experiences that truly enhance peoples lives Revealing the innovative processes of such organizations as BMW Proctor and Gamble GE Healthcare and Frito Lay Hidden in Plain Sight offers you a new approach to identifying and executing your company s growth strategy
