Strong in the Broken Places Quentin Vennie,Jon Sternfeld,2017-05-30 An inspiring memoir about one man s journey to overcome addiction anxiety and depression through meditation yoga and juicing Quentin Vennie shouldn t be alive he has walked a path that many don t live long enough to write about Growing up in Baltimore he was surrounded by nothing but dead ends Statistics mapped out his future and he grew hostile toward a world that viewed him with suspicion and disdain He was shot at sold drugs up and down the East Coast lingered on the brink of incarceration and stared down death more than once Haunted by feelings of abandonment and resentment he struggled with chronic anxiety and depression and battled a crippling prescription drug addiction The day he contemplated taking his life was the day he rediscovered his purpose for living Vennie s survival depended upon his finding a new path but he didn t know where to turn his doctor was concerned only with prescribing more medication Vennie refused and in a desperate attempt to save his own life decided to pursue a journey of natural healing After researching a few self healing methods he immediately bought a juicer from an all night

grocery store He started juicing in the hopes that it would help him repair his body and clear his mind He jumped headfirst into the world of wellness and started incorporating yoga and meditation into his life This wellness trinity helped him cut back on and then quit the many medications he was on overcome his addictions and ultimately transform his life while inspiring others to find their own unique path to wellness Strong in the Broken Places is the harrowing story of Vennie s life the detours that almost ended it and the inspiring turns that saved it The odds were stacked against him but he was able to defy expectations and claw his way out on his own terms He is living proof that during our weakest moments we have the power and ability to unlock unimaginable strength *The Beginner's Guide to Natural Living* Larry Cook,2006 When your body is detoxified of toxins detoxification you replace slightly toxic food synthetic food with highly nutritious food organic food you employ the principles of correct diet healthy eating you give your body maximum nutrition supplements your muscles are activated exercise your energy flow is built up chi energy your immune system is strengthened and your organs are encouraged to repair themselves natural medicine you buy products designed for healthy living grocery shopping and you consciously live naturally every day **Yoga For Your Health** Ruediger Kuettner-Kuehn,2018-01-31 What Yoga can do YOGA at last is coming into its own in the Western world After many years of being dismissed as a bizarre cult attractive only to eccentrics it is today recognized as a fundamental art and skill More than that many of its most bitter opponents people who were among the first to cry down Yogic culture have now embraced it as a way of life The ancients who formulated the science of Yoga were way ahead of us in our modern world of stress and hurry Recognizing thousands of years ago man s basic need for discipline to counteract the physical and spiritual deterioration caused by the mere fight for survival they evolved a science which is at once as ancient as India herself and as modern as the space age *Yoga Journal* ,2002-03 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **Run Like a Girl 365 Days a Year** Mina Samuels,2019-07-09 No matter how hard it is to get out the door it s on the road that we meet our strengths and weaknesses have the space to contemplate our hopes and dreams and ultimately find what makes us happy Not every workout is an epiphany Instead each time out on the road no matter how much of a battle it was to get there is an exercise in getting to know ourselves a little bit better It s on that road that we learn our strengths and weaknesses ponder our hopes and dreams and ultimately discover what makes us happy For women who draw even a portion of their strength from being active Run Like a Girl 365 Days a Year serves as a Book of Days It s practical inspirational and personal with a dash of the existential and neurotic it s a fresh take on the popular thought a day books geared toward women athletes Containing 365 entries for a full year of running inspiration Run like a Girl 365 Days a Year revels in the joys we discover as we greet our athletic selves each new day and confront the
