Delusive Speech in the Sharing Economy Julie Reid, 2025-03-04 In this examination of how the rise of online sharing economy platforms has facilitated online crime this book shows how while marketed as trustworthy peer to peer services these platforms are highly vulnerable to misuse by scammers and are used for the dissemination of delusive speech The analysis centres around the concept of delusive speech a sub set of disinformation designed to deceive and motivate by criminal intent Looking beyond the economic and disruptive impacts of sharing economy platforms like Uber Airbnb and

others this book situates these Big Tech giants as mass communication channels that are frequently misused by bad actors to distribute dangerous content globally Drawing from over 600 cases of victims lured into scams or physical danger via misleading Airbnb listings the book provides a detailed case study exposing Airbnb s failure to establish legitimate safety measures despite branding its platform as a community of trust Incorporating netnography and thematic analysis the author theorises the deceptive semiotic structure of delusive speech and evaluates practical mechanisms Airbnb could employ to prevent scams and crime on its platform With a global audience including researchers in communication and media studies digital media and media industries as well as tech journalists Silicon Valley critics policymakers and digital rights advocates this book unmasks how sharing economy giants like Airbnb contribute to an epidemic of online deception causing real world harm

The Fateful Journey Robert Joost Willink,2011-01-01 Bold headstrong and fabulously wealthy Dutch traveller Alexine Tinne 1834 1869 made several excursions into the African interior often accompanied by her mother at a time when very few European women traveled The Fateful Journey follows her trip with German zoologist Theodor von Heuglin which took them through Egypt and Sudan in search of adventure and unknown regions in Central Africa Drawing upon four years of research in the Tinne archives and including never before published correspondence photographs and other documents Robert Joost Willink presents a compelling account of their journey and its tragic ending This exciting volume not only sheds light on Tinne s life and times it also offers captivating insights into the world of European adventurers in the 19th century An enthralling mix of adventure and careful scholarship The Fateful Journey creates a powerful portrait of Alexine Tinne throughout her life from her start as a rich heiress in the Netherlands to her end as the intrepid explorer who risked and lost everything on a daring doomed quest

Self-Taught Chris Edwards,2022-09-28 The American educational structure is a feudal system designed around an inefficient seat time model This structure sets students against each other in competition creates zip code inequalities and empowers an expensive and often damaging bureaucratic class of administrators Due to shortages of teachers and staff and to needless problems with curricula and testing this system is about to fall Historically when feudal systems collapse they create opportunities for new structures to emerge Technology has made it possible to develop a new educational model that connects students to their community and reduces pressure on students and teachers This new model makes it possible to deliver high quality education for all students regardless of zip code while turning students into active learners Self Taught Moving from a Seat Time Model to a Mastery Learning Model explains how this process can begin by asking just one question what would you do if you needed to learn something

Deliberately Digital Hubert Tardieu,David Daly,José Esteban-Lauzán,John Hall,George Miller,2020-02-05 The digital revolution is changing virtually every aspect of the business world However most attempts at the digital transformation of enterprises fail largely because of a lack of comprehensive and coherent strategy This book takes lessons learned from the rise of the digital platform giants and explores how they can be adapted and effectively applied to established businesses allowing them to

compete within the new digital business paradigm Offering a holistic perspective on the business and technology landscape the book describes the megatrends evolution and impact of digital technologies and business models It brings together what for many is a disjointed set of business transformation imperatives to provide a practical guide to digital success Drawing on the authors decades of experience in supporting transformation and innovation the book lays out a path to a progressive iteration of business change and value realization balancing the perspectives of revolutionary transformation and change enabling optimization

Words to Outlive Us Michal Grynberg, 2024-09-04 The never before published diaries letters and personal accounts in this vital collection offer a devastating portrait of life in the Warsaw Ghetto Publishers Weekly In the history of the Holocaust the Warsaw Ghetto stands as the enduring symbol of Jewish suffering and heroism This collective memoir a mosaic of individual diaries journals and accounts follows the fate of the Warsaw Jews from the first bombardments of the Polish capital to the razing of the Jewish district The life of the ghetto appears here in striking detail the frantic exchange of apartments as the walls first go up the daily battle against starvation and disease the moral ambiguities confronting Jewish bureaucracies under Nazi rule the ingenuity of smugglers and the acts of resistance Written inside the ghetto or in hiding outside its walls these extraordinary testimonies preserve voices otherwise consigned to oblivion a woman doctor whose four year old son is deemed a threat to the hideout a painter determined to complete his mural of Job and his trials a ten year old girl barely eluding blackmailers on the Aryan side of the city Stunning in their immediacy the urgent accounts recorded here provide much more than invaluable historical detail they challenge us to imagine the unimaginable
