Organizational Control Cambridge Companions To Management:

Organizational Control Sim B. Sitkin, Laura B. Cardinal, Katinka Bijlsma-Frankema, 2010 Organization scholars have long acknowledged that control processes are integral to the way in which organizations function While control theory research spans many decades and draws on several rich traditions theoretical limitations have kept it from generating consistent and interpretable empirical findings and from reaching consensus concerning the nature of key relationships This book reveals how we can overcome such problems by synthesising diverse yet complementary streams of control research into a theoretical framework and empirical tests that more fully describe how types of control mechanisms e g the use of rules norms direct supervision or monitoring aimed at particular control targets e g input behavior output are applied within particular types of control systems i e market clan bureaucracy integrative Written by a team of distinguished scholars this book not only sheds light on the long neglected phenomenon of organizational control it also provides important directions for future research

Verantwortungsvolle Unternehmensführung Claudia Kreipl, 2020-01-29 In diesem Lehrbuch beschreibt Claudia Kreipl in kompakter Form unternehmerische Verantwortung als Zusammenspiel ökonomischer rechtlicher und ethischer Verantwortung Basierend auf einer systematischen Betrachtung der verschiedenen Ebenen sowie der Zielgruppen verantwortungsvollen Handelns entwickelt sie einen ganzheitlichen Ansatz Analysiert werden alle drei Handlungsfelder Corporate Governance Compliance Management und Corporate Social Responsibility hinsichtlich ihrer Hintergründe und Facetten sowie ihrer Bedeutung für die unternehmerische Praxis Daraus entwickelt die Autorin ein Gesamtkonzept das den Unternehmenserfolg nachhaltig sichert

Trust, Control, and the Economics of Governance Philipp Herold, 2019-06-05 In today's world we cooperate across legal and cultural systems in order to create value However this increases volatility uncertainty complexity and ambiguity as challenges for societies politics and business This has made governance a scarce resource It thus is inevitable that we understand the means of governance available to us and are able to economize on them Trends like the increasing role of product labels and a certification industry as well as political movements towards nationalism and conservatism may be seen as reaction to disappointments from excessive cooperation To avoid failures of cooperation governance is important control through e g contracts is limited and in governance economics trust is widely advertised without much guidance on its preconditions or limits This book draws on the rich insight from research on trust and control and accommodates the key results for governance considerations in an institutional economics framework It provides a view on the limits of cooperation from the required degree of governance which can be achieved through extrinsic motivation or building on intrinsic motivation Trust Control Economics thus inform a more realistic expectation about the net value added from cooperation by providing a balanced view including the cost of governance It then becomes clear how complex cooperation is about governance accretion where limited trustworthiness is substituted by control and these control instances need to be governed in turn Trust Control and the Economics of Governance is a highly

necessary development of institutional economics to reflect progress made in trust research and is a relevant addition for practitioners to better understand the role of trust in the governance of contemporary cooperation structures It will be of interest to researchers academics and students in the fields of economics and business management institutional economics and business ethics Note that this work is the first of its kind that explicitly reflects on the societal realities how these drive the assumption setting process and how these assumptions influence the theory outcome *The Routledge Companion to Management and Organizational History* Patricia Genoe McLaren, Albert J. Mills, Terrance G. Weatherbee, 2015-05-15 The field of management and organizational history has reached a level of maturity that means an overview is long overdue Written by a team of globally renowned scholars this comprehensive companion analyses management and organizational history reflecting on the most influential periods and highlighting gaps for future research From the impact of the Cold War to Global Warming it examines the field from a wide array of perspectives from humanities to the social sciences Covering the entire spectrum of the field this volume provides an essential resource for researchers of business and management
