more than you ever thought possible *The Complete Idiot's Guide to Social Media Marketing, 2nd Edition* Jennifer
Abernethy,2012-04-03 The Complete Idiot s Guide to Social Media Marketing Second Edition covers cutting edge techniques
for small and large businesses alike Ask the Author Q How has social media marketing changed business and personal lives A
The playing field has been leveled for business No longer do you need a 6 or 7 figure budget to reach people around the
country or globe for that matter Personally many lives have been affected Many people more connected businesses have
grown because of the connections TV and singing careers have been launched money has been raised for charity books have
been marketed and purchased and so on Q What has been the most challenging part of utilizing social media A I think the
learning curve With all of these sites they come with no directions and no LIVE phone number Q What has worked the best
and worst thus far A Facebook because of it s broad reach really has worked for me but many would argue that YouTube
works the best particularly since it is the search engine of choice with the 11 34 age group Q How can a person searching for
a job use social media marketing A So many ways They need to be on LinkedIn with a professional looking profile photo and
contact information They could also utilize video to begin sharing their expertise Candidates need to stand out in a crowd of
millions so if they say sent in a video introducing themselves and a video follow up email that would wow them Q What is the
newest thing since Twitter A I believe companies and individuals are starting to utilize audio for creating their own iTunes
channel and also location based social media like FourSquare I personally am not sold on location based services as of yet
from a safety point of view but for retailers it can be a good thing I believe video is going to explode in popularity in 2011 for
the 35 market as well They just need to get comfortable being on camera **Du gehörst uns!** Christian Montag,2021-10-18
