are called to function as advocates and change agents but often find themselves underprepared to address these oppressive systems in schools. It is vital that school counselors are provided resources that enable them to increase their preparedness and allow them to address oppressive practices within schools as well as work with diverse populations using culturally affirming and antiracist practices. *Developing, Delivering, and Sustaining School Counseling Practices Through a Culturally Affirming Lens* informs culturally affirming and antiracist professional practice and advocacy work by school counselors. It serves as a learning tool that better prepares school counselors to address the needs of marginalized students and work as effective change agents to disrupt systemic oppression in school settings. Covering topics such as professional identity, racial trauma, and social justice, this book serves as a dynamic resource for school counselor educators, school counselors in training, school counselors, directors, supervisors, district leaders, and administration researchers and academicians as they implement antiracist social justice and culturally affirming practices in school settings and academia. **Chłopak taki jak ty** Ginger Scott, 2018-06-20.
