Instagram Allie & Thorsten, 2018-09-11 Welt Bestseller 2018 **The Instagram Archipelago** Elliot C.

Mason, 2022-09-30 Set on Idan Hayosh's peculiar Instagram page of women holding dead fish The Instagram Archipelago is a conversation with contemporary culture's logics of gender and race Working through recent thinking in Black studies and Hayosh's satirical images Elliot C. Mason presents the aesthetics of capitalism as a sea that makes everything the same turning the world into a single form The Instagram Archipelago brings radical antiracist and feminist scholarship to a general audience applying a model of thinking beyond gender and race to the strange world of online fishing photos This funny and fascinating book moves past the liberal celebration of gender and race towards a tiny island of resistance in a growing archipelago

Body Neutrality Eleanor Clark, 2022-12-16 This practical accessible book teaches readers how to practice healthy body image habits and let go of an emphasis on body image through research activities and personal stories Body neutrality is a body image approach focused on finding acceptance and liberation from the body focused culture in which we live Body neutrality is a shift toward seeing our bodies as a vessel of who we are rather than as who we are This guide is organized into thirteen chapters each outlining a different concept of body neutrality ranging from comparison and identity to mindfulness and gratitude inviting participation from the reader through end of chapter activities For anyone aiming to release the enslaving emphasis placed on appearance in a world where body obsession has become inappropriately normal this book will provide insight and practical guidance toward freedom Body Neutrality is for anyone struggling with self esteem and body image issues who aims for acceptance and liberation

How to Turn Down a Billion Dollars Billy Gallagher, 2018-02-13 In the grand tradition of Ben Mezrich's The Accidental Billionaires 2009 an engaging look into a fascinating subculture of millions Booklist Breezy How to Turn Down a Billion Dollars ably if uncritically chronicles the short history of a young company catering to young users with a young chief executive and reveals intentionally or not the limitations that come with that combination Wall Street Journal The improbable and exhilarating story of the rise of Snapchat from a frat boy fantasy to a multi billion dollar internet unicorn that has dramatically changed the way we communicate In 2013 Evan Spiegel the brash CEO of the social network Snapchat and his co founder Bobby Murphy stunned the press when they walked away from a three billion dollar offer from Facebook how could an app teenagers use to text dirty photos dream of a higher valuation Was this hubris or genius In How to Turn Down a Billion Dollars tech journalist Billy Gallagher takes us inside the rise of one of Silicon Valley's hottest start ups Snapchat developed from a simple wish for disappearing pictures as Stanford junior Reggie Brown nursed regrets about photos he had sent After an epic feud between best friends Brown lost his stake in the company while Spiegel

has gone on to make a name for himself as a visionary if ruthless CEO worth billions linked to celebrities like Taylor Swift and his wife Miranda Kerr A fellow Stanford undergrad and fraternity brother of the company's founding trio Gallagher has covered Snapchat from the start He brings unique access to a company Bloomberg Business called a cipher in the Silicon Valley technology community Gallagher offers insight into challenges Snapchat faces as it transitions from a playful app to one of the tech industry's preeminent public companies In the tradition of great business narratives *How to Turn Down a Billion Dollars* offers the definitive account of a company whose goal is no less than to remake the future of entertainment

Elena, Princessa of the Periphery Diana Leon-Boys, 2023-03-17 *Princessa of the Periphery* explores Disney's Elena of Avalor Focusing on girlhood and Latinidad Leon Boys studies the complex relationship between the U.S.'s largest ethnic minority and Disney as a global media conglomerate The analysis demonstrates that Elena's existence within the Disney universe is indicative of the overall presence of Latinxs in popular culture media and the nation

Hardwired: How Our Instincts to Be Healthy are Making Us Sick Robert S. Barrett, Louis Hugo Francescutti, 2020-10-30 For the first time in a thousand years Americans are experiencing a reversal in lifespan Despite living in one of the safest and most secure eras in human history one in five adults suffers from anxiety as does one third of adolescents Nearly half of the US population is overweight or obese and one third of Americans suffer from chronic pain the highest level in the world In the United States fatalities due to prescription pain medications now surpass those of heroin and cocaine combined and each year 10% of all students on American college campuses contemplate suicide With the proliferation of social media and the algorithms for social sharing that prey upon our emotional brains inaccurate or misleading health articles and videos now move faster through social media networks than do reputable ones This book is about modern health or lack of it The authors make two key arguments that our deteriorating wellness is rapidly becoming a health emergency and two that much of these trends are rooted in the way our highly evolved hardwired brains and bodies deal with modern social change The co-authors a PhD from the world of social science and an MD from the world of medicine combine forces to bring this emerging human crisis to light Densely packed with fascinating facts and little told stories the authors weave together real life cases that describe how our ancient evolutionary drives are propelling us toward ill health and disease Over the course of seven chapters the authors unlock the mysteries of our top health vices why hospitals are more dangerous than warzones our addiction to sugar salt and stress our emotionally driven brains our relentless pursuit of happiness our sleepless society our understanding of risk and finally how world history can be a valuable tutor Through these varied themes the authors illustrate how our social lives are more of a determinant of health outcome than at any other time in our history and to truly understand our plight we need to recognize when our decisions and behavior are being directed by our survival seeking hardwired brains and bodies
