World Series Netflix Update:

Netflix, Dark Fantastic Genres and Intergenerational Viewing Djoyimi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including Stranger Things A Series of Unfortunate Events The Dark Crystal Age of Resistance and even Squid Game The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies

The BBC and the Public Barrie Gunter, 2024-10-23 This book examines the relationship between the public and the BBC in terms of public use of the BBC and their attitudes towards it These audience research measures are being used as metrics to assess the value of the BBC to the UK public Some of the attitudinal measures address perceptions of the BBC's outputs and some examine public views about the way the BBC is funded and managed The book has been written at a time when the BBC reached its centenary and also the mid point of its latest Royal Charter period At the time of writing the government had begun a mid term review of its performance as judged by its attainment of objectives set out in that Charter The Secretary of State for Digital Culture Media and Sport at the time of the mid term review had spoken and written openly about abolishing the TV licence fee and the introduction of a new funding model for the BBC that would be implemented in its new Royal Charter due to be enacted in 2027 Against this backdrop this book examines public opinion about the funding of the BBC and then looks at changing media consumption habits and how these have affected patronage of the BBC's outputs Ultimately a decision must be taken about the kind of national broadcaster the UK both is government and its citizens would like to keep in the future Changing the funding model without first defining what the BBC should do and how it should be structured and resourced to do it could result in a messy solution that satisfies and benefits no one

Changing News Use Irene Costera Meijer, Tim Groot Kormelink, 2020-11-09 Changing News Use pulls from empirical research to introduce and describe how changing news user patterns and journalism practices have been mutually disruptive exploring what journalists and the news media can learn from these changes Based on 15 years of audience research the authors provide an in depth description of what people do with news

and how this has diversified over time from reading watching and listening to a broader spectrum of user practices including checking scrolling tagging and avoiding By emphasizing people s own experience of journalism this book also investigates what two prominent audience measurements clicking and spending time mean from a user perspective The book outlines ways to overcome the dilemma of providing what people apparently want attentiongrabbing news features and delivering what people apparently need what journalists see as important information suggesting alternative ways to investigate and become sensitive to the practices preferences and pleasures of audiences and discussing what these research findings might mean for everyday journalism practice The book is a valuable and timely resource for academics and researchers interested in the fields of journalism studies sociology digital media and communication

Korean Wave in World Englishes Brittany Khedun-Burgoine, Jieun Kiaer, 2022-09-16 This book examines the linguistic impact of the Korean Wave on World Englishes demonstrating that the K Wave is not only a phenomenon of popular culture but also language The Korean Wave is a neologism that was coined during the 1990s that includes K pop K dramas K film K food and K beauty and in recent years it has peaked in global popularity This book intends to show how social media phenomena have facilitated the growth of Korea s cultural influence globally and enabled a number of Korean origin words to settle in varieties of Englishes This in turn has globalised Korean origin words and revolutionised the English language through an active and collaborative process of lexical migration Korean origin words such as oppa older brother are no longer bound solely to Korean speaking contexts The study focuses primarily on media content particularly social media corroborated by case studies to examine how linguistic innovation has been engendered by the Korean Wave Suitable for students and researchers of Korean linguistics Korean culture Korean popular culture and translation studies this book is the first detailed study of the global linguistic impact of the Korean Wave
