Protect Paisley Hope, 2025-12-01. A wildland firefighter reconnects in a second chance romance with his late best friend's sister, the one that got away in the scorching hot second book in the BookTok viral Sky Ridge Hotshots series. Let me be your twin flame love. I walk into the local bar with my hotshot crew, dirty and exhausted, only to slam into my biggest regret: The twin sister of my lost best friend and the one who got away. Violette Taylor. I haven't seen her in years, but I haven't forgotten her either. I used to be Rowan to her. Now I'm just King, the guy who broke her heart, but not for the reasons she thinks. Violette, a nurse and single mom, is back in town for good and working hard to avoid anyone who reminds her of the past, especially a career hotshot like me. But when I fall into her care after an injury lands me in her burn unit, it feels like maybe it's fate. I know something she doesn't: life rarely offers second chances. I need to protect those I love. So if this is my chance to make things right, I'm taking it. Tropes: Firefighter romance, Angst, Small town romance, Forced proximity, Second chance romance, Friend to Lovers, Hurt Care, Workplace romance. *Fantasy Publishing Facts* Jacob Smith, AI, 2025-02-20. *Fantasy Publishing Facts* explores the business and social science aspects of the fantasy genre, revealing the economic engines and social dynamics that drive this popular form of entertainment. The book delves into the publishing industry, examining sales data and market trends to understand the financial scale of fantasy literature. It also investigates reader demographics and the influence of social media on readership, providing a comprehensive view of the fantasy ecosystem. A key insight is the demonstration of how the fantasy genre functions as both a creative endeavor and a complex system. The book uses a data-driven approach, integrating economic analysis with social science insights to reveal the interplay between publishers and readers. For instance, author incomes and reader demographics are analyzed alongside social media trends to showcase the economic impact and social influences shaping the genre. The book progresses through four sections: starting with core concepts and methodologies, then analyzing the production side (sales, incomes, publishing houses), followed by an examination of readership demographics, communities, social media, and finally synthesizing these findings to offer practical implications for authors, publishers, and marketers. This multi-dimensional approach makes *Fantasy Publishing Facts* uniquely valuable for anyone seeking a deeper understanding of the fantasy publishing world.
