Autonomy-Supportive Parenting Emily Edlynn, 2023-09-05 As parents we want our children to take responsibility for

their schoolwork their chores and their choices We want them to grow into independent adults but when we see them struggling we sometimes have a tendency to step in and problem solve telling them exactly what to do or even doing things for them ourselves The problem is the more controlling we are with our children the more out of control they feel When our children feel out of control problems big and small follow from more tantrums in thwarted toddlers to a higher risk of drug and alcohol use in adolescence So how do we support our children s autonomy while maintaining boundaries and not losing our minds in the process From clinical psychologist Emily Edlynn PhD comes a flexible parenting framework that can apply to every family and every parental relationship With Autonomy Supportive Parenting you can build trust in your child and trust in yourself **The Road to Nowhere** Matt Patrick,2016-05-18 In the 2016 spring semester the Patrick Tannenhaus

Hernandez Sophomore team embarked upon a journey A journey to discover what drives people to move Focusing on U S Latin American immigration during the twentieth and twenty first centuries students were exposed to an array of perspectives and policies Combining Spanish and Humanities language and culture preconceptions were challenged and minds opened Forming groups students selected a Latin American country and attempted to get inside the minds of those affected by immigration Often victims of more powerful forces the immigrant s story is rarely told Through works of historical fiction students revealed why immigrants leave their homeland what they experience on their journey and how their life is altered once in the U S Understanding Applied Behavior Analysis, Second Edition Albert J.

The Power of Middle School Keen J. Babbage, 2012-09-14 The middle school years are a maze of academic duties human growth and self development discovering self identity and increasing social interaction with other people This maze can be an adventure of achievement and opportunity or it can be a struggle of difficulty and disappointment As these experiences are the impetus or foundation for many later achievements in academics careers and personal life it is imperative that educators maximize these formative years by helping middle school students successfully travel through this maze despite its ups and downs its twists and turns and its new challenges to master and the old issues to resolve For instance educators must support students who have fallen behind so as to thwart their reduced likelihood of turnaround in high school Likewise educators must challenge exceptional students in order to perpetuate their enthusiasm for learning and prepare them for college studies By discussing the comprehensive roles and duties of school administrators counselors and teachers The Power of Middle School addresses how to maximize middle school curriculum and extra curricular activities for the academic personal and professional benefits of all students
