So, once again, how well do you know your customers? In a hyperconnected economy that is radically changing consumer expectations, this vital expectation for any successful business is not always easy. What do they hate? Jam-packed with tools and examples, this must-have resource helps businesses reinvent how they engage with customers, both physical and virtual. Learn how to gain invaluable insights into who your customers are and what they care about. Use listening posts and Contact Point Innovation to refine customer types.
