Misery Bay Chris Angus, 2016-05-17

Misery Bay is more than just a fitting name for this outwardly innocent fishing village *Misery Bay* is a picturesque fishing village on the Eastern shore of Nova Scotia a seemingly idyllic location But the islands and hidden coves hide something more sinister Illegal immigrants and drugs are being smuggled in for the escort services in Halifax Special Constable Garrett Barkhouse has spent twenty years fighting these twin scourges but now he's burned out and planning to retire However his boss Deputy Commissioner Alton Tuttle has other plans He entices Garrett to return to his old home town and establish a police presence on the Eastern shore What he expects will be light duty Garrett quickly discovers is anything but An unexpected murder of four young girls leads him into a thick web of interconnecting drug pushers illegal immigrants and prostitution While he tries to get a handle on events Garrett is sucked back into many of the relationships from his childhood The cast of colorful characters includes Roland Cribby a scallop fisherman and all around unpleasant character old man Publicover who has just married his fifth wife beautiful reporter Kitty Wells and Garrett's cousin a giant of a man who is an enforcer for the Longshoremen on the waterfront in Halifax An offshore oil rig conveniently outside Canadian territorial waters becomes the focus of the investigation Global Resources CEO Anthony DeMaio has developed a nice sideline to the oil business When Kitty Wells the beautiful reporter tries to investigate she is swept up by the machinations and kidnapped into sex slavery As a series of hurricanes push in from the North Atlantic Garrett and Lonnie find themselves fighting not only drug lords and CEOs but also the elements that threaten to topple the oil rig and kill everyone on board Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery

are always informed about the news but aren't overwhelmed by it. They don't fear missing out because they already know which ones give them meaning and satisfaction. Newport gave a name to this quiet revolution and created a persuasive case of its importance in the world saturated in technology. He provides simple advice like turning off notification or even having a digital Sabbath for us to get our sense of control back into our lives. He envisions a society where we can unplug completely without experiencing the demands of family, friends, and work. What we need is a conscious method to decide what tools we need, the purpose of those tools, and the conditions under which we'll use them. Taking on diverse real-life examples from Amish communities to stressed parents to Silicon Valley programmers, Newport shares the common practices of digital minimalists with ideas underpinning them. He shows that digital minimalists rethink their relationship with technology, rediscover the beauty of the offline world, and reconnect with their inner selves through periods of solitude. He also shares some insights on how we can integrate those practices in our own lives, which starts with a thirty-day digital declutter. Technology is neither good nor bad. What we need is to use it to help our goals and values rather than allowing it to use us. Digital Minimalism shows us how. Wait no more, take action, and get this book now. *Good Morning Seye Kuyinu*, 2018-04-10

This book will take you through the practical steps to boosting your motivation everyday. In the case where you don't even have anything whatsoever to look up to, following some of these steps will put you in a vantage position to follow those things that you love. It always starts from somewhere. I hope it starts from this for you. I decided to put this book together not as a step 1, do this; step two, do that. But instead, I help you understand the physiology or psychology, whichever applies, why key principles work. I am very proud of the knowledge I have accumulated in this topic through practice, and I am willing and interested to go into even more advanced details through private consultations. Most of what I write about here are techniques and tips I learned from great minds like Benjamin P. Hardy, Arianna Huffington, Vishen Lakhiani, James Kwik, and Laura Silva.

The All-Day Fat-Burning Diet Yuri Elkaim, 2015-12-22. Renowned fitness expert and New York Times bestselling author Yuri Elkaim provides the key to continuous fat burning with his unique 5 Day Food Cycling Formula, which resets your metabolism to lose up to 5 pounds a week.
