Halliwell, 2022-08-04 A beauty witch must use her hair to rescue herself as well as stop a thief from ruining her hometown's Christmas. My long silky mane of fairytale renown is directly tied to my beauty magick. However, unlike a different long-haired princess who was trapped in a turret, I'm no damsel in distress. The only tower I'm hiding in is one of my own making. Heartbreak over a prince who left me on Christmas Eve years ago so NOT princely has my emotions in a tangled mess. When a thief steals the angel topper from our town's Christmas Wishing Tree, it's up to me to ferret him out. As luck would have it, my unprincely prince returns for the holidays and he's determined to help. Untangling our complicated relationship may be as difficult as unknotting my heart, but that must take a backseat to catching the culprit. Can I leave my tower of safety and return the angel to the tree before Christmas morning? Or will my Christmas wish tie me and my prince up in a fatal end? Read this magickal holiday mystery today.

In this metamorphic coming-of-age tale, the girls transform to the women they were always supposed to be, fulfilling their destiny. The story is filled with battles between good and evil, over jealousy and love, and life's growing pains. Eduard Muret,1891 The Nameless God Emma L. Adams, Zelle and her allies have returned to Zeuten but their visit to Itzar left nobody unscathed Especially Zelle whose allegiance with the nameless Shaper has given her a burden that might kill her before it lets her free Rien meanwhile has his own battle to fight Returning to his homeland leads to more than a confrontation with the man who took everything from him as in their absence their enemy has seemingly formed an alliance with another Great Power Invicten god of illusions possesses magic that can turn friend against friend and nation against nation and it might already be too late to stop him working his influence over the other mages of Aestin While Zelle struggles to protect her nation against the deadly threat across the ocean Evita is forced to turn to the assassins she once lived with for answers on the magic she took from them But the truth is deadlier than she would ever have guessed War is on the horizon with the three Great Powers prepared to use the human world as their battleground And in a battle of the gods there may be no humans left standing in the end An epic fantasy trilogy featuring a bookworm heroine with a sarcastic talking staff a warrior with no memory of his past and an inept aspiring assassin with a baby dragon sidekick For fans of fast paced adventures cool settings and action packed plots *Muret-Sanders Enzyklopädisches englisch-deutsches und deutsch-englisches Wörterbuch: Englisch-deutsch, von B. Repainting the Little Red Schoolhouse John Rodden,2002-01-03 This is the first English language study of GDR education and the first book in any language to trace the history of Eastern German education from 1945 through the 1990s Rodden fully relates the GDR's attempt to create a new Marxist nation by means of educational reform and looks not only at the changing institution of education but at something the Germans call *Bildung* the formation of character and the cultivation of body and spirit The sociology of nation building is also addressed **Duck For Cover & Other Tales** Barbara Venkataraman,2022-08-17 Fourteen short stories with a twist Duck for Cover Other Tales is filled with surprises The Yes Man is about a woman who looks after her elderly father with dementia only to discover he still has life lessons to teach her Living My Best Life tells the story of an aging rock star who finds his legacy lives on in a way he hadn't imagined Thicker Than Blood is about the dilemmas caused by modern technology when a trio of siblings is asked to make the hardest decision of their lives The Devil's Workshop is the story of a young man being scared straight from a life of delinquency by a clever probation officer and an ex-con Topical relatable and just plain fun these and many other stories in this collection deal with friendship kinship and the complexities of the modern world and are sure to leave you with a smile **A Rebel's History of Mars** Nadia Afifi,2025-06-10 Rocky Mountain Fiction Writer member's striking new book of time travel and biological science fiction is a thrilling ride Kezza an aerialist in the Martian circus can never return to Earth but she can assassinate the man she blames for her grim life on the red planet Her murderous plans take an unexpected turn however when she uncovers a sinister secret A thousand years into the future Azad lives a safe but controlled life on the beautiful desert planet of Nabatea His world is upended when he joins a crew of space traveling historians seeking to learn the true reason that their ancestors left Mars Separated by time and space Kezza and Azad's stories collide in the Martian desert **Kafka's Novels** Patrick Bridgwater,2021-11-22 Kafka's three novels to be understood as an ever more intricate portrayal of the inner life of one central character Henry James's centre of consciousness each reflecting the problems of their self-critical creator are tantamount to dreams The hieroglyphic pictorial language in which they are written is the symbolic language in which dreams and thoughts on the edge of sleep are visualized Not for nothing did Kafka define his writing as a matter of fantasizing with whole orchestras of free associations Written in a deliberately enhanced hypnagogic state these novels embody the alternative logic of dreams with the emphasis on chains of association and verbal bridges between words and word complexes The product of many years preoccupation with its subject Patrick Bridgwater's new book is an original chapter by chapter study of three extraordinarily detailed novels of each of which it offers a radically new reading that makes more and different sense than any previous reading In Barthes terms these fascinating novels are unreadable but the present book shows that properly read they are entirely if ambiguously readable Rooted in Kafka's use of language it consistently explores in detail i the linguistic implications of the dreamlike nature of his work ii the metaphors he takes literally and iii the ambiguities of so many of the words he chooses to use In doing so it takes account not only of the secondary meanings of

German words and the sometimes dated metaphors of which Kafka taking them literally spins his text but also where relevant of Czech and Italian etymology Split for ease of reference into chapters corresponding to the chapters of the novels in the new Originalfassung the book is aimed at all readers of Kafka with a knowledge of German for the author shows that Kafka's texts can be understood only in the language in which they were written because Kafka's meaning is often hidden beneath the surface of the text conveyed via secondary meanings that are specific to German any translation is necessarily an Oberflächensetzung *Allgemeines Englisch-Deutsches und Deutsch-Englisches Wörterbuch* Johann Gottfried Flügel, 1894 The Murder of Mata Hari Sam Waagenaar, 1964
