Instagram For Business For Dummies Jenn Herman, Eric Butow, Corey Walker, 2021-01-20 Put your best brand story in front of 1 billion users One of the most energetically social of the major social media platforms Instagram has the highest brand engagement rate of them all

Throw in the app's more than 1 billion active monthly users and its powerful business tools including shoppable posts, devoted business profiles and advanced analytics and you have an unmissable opportunity to tell a gripping story that bonds you with your customers and makes your business an integral part of their social media lives. The latest edition of *Instagram For Business For Dummies* puts you in the picture on how to showcase your product, craft your narrative and gather insight into how your customers experience and react to your business. Presented in straightforward, practical language by three Instagram and marketing gurus, you'll swiftly go from setting up your account and profile to applying strategies for writing winning captions and creating content that delivers super-engaged customers. Set up your account, profile and analytics. Upload content and get smart with IG Stories and live video. Build and target paid advertising. Master the art of the hashtag. Whatever your current Instagram skill level, there's always somewhere new to take you re the story of your business and there's no better way to begin a gripping new chapter in that story than with this book.

Crip Up the Kitchen Jules Sherred, 2023-05-09 A cookbook tailored for disabled and neurodivergent individuals, Jules Sherred leverages the convenience of modern kitchen tools to challenge the inherent ableism found in conventional cooking guides. Food Tank A comprehensive guide and recipe collection that brings the economy and satisfaction of home cooking to disabled and neurodivergent cooks. Crippling Crip Up A term used by disabled disability rights advocates and academia to signal taking back power to lessen stigma and to disrupt ableism as to ensure disabled voices are included in all aspects of life. When Jules Sherred discovered the Instant Pot multicooker, he was thrilled and incensed. How had no one told him what a gamechanger this could be for any home cook, but in particular for those with disabilities and chronic illness? And so the experimenting and the evangelizing began. The kitchen is the most ableist room in the house. With 50 recipes that make use of three key tools: the electric pressure cooker, air fryer and bread machine, Jules has set out to make the kitchen accessible and enjoyable. The book includes pantry prep, meal planning, shopping guides, kitchen organization plans and tips for cooking safely when disabled, all taking into account varying physical abilities and energy levels. Organized from least to greatest effort or from 1 to all your spoons for spoonies, beginning with spice blends and bases, Jules presents thorough, tested, inclusive recipes for making favourites like butter chicken, Jules's Effin Good Chili, Thai winter squash soup, roast dinners, matzo balls, pho, samosas, borscht, shortbread, lemon pound cake and many more. Jules also provides a step-by-step guide to safe canning and a template for prepping your freezer and pantry for post-surgery. With rich accompanying photography and food histories, complete nutritional information and methods developed specifically for the disabled and neurodivergent cook, *Crip Up the Kitchen* is at once inviting, comprehensive and accessible. If you've craved the economy and satisfaction of cooking at home but been turned off by the ableist approach of most cookbooks, this one's for you.
