EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

Amazon Natalie Berg, Miya Knights, 2021-11-03 Amazon, one of the world's most valuable companies, is worth more than Walmart, Netflix, Target, Nike and Costco combined. What are the secrets to its success? How can these insights be applied to other businesses in the e-commerce sector? The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. Amazon offers unique insight into the company's persistent dissatisfaction with the status quo and innovation and how it has fundamentally changed the ways in which we shop. This fully updated second edition explores Amazon's response to the coronavirus pandemic, the convergence of physical and digital retail, e-commerce economics and sustainability as well as future policy implications. Written by industry leading retail analysts and with the first edition now translated into more than a dozen languages, Amazon is an invaluable resource for discovering the lessons that can be learned from the company's unprecedented rise to dominance.

Winning on Purpose Fred Reichheld, Darci Darnell, Maureen Burns, 2021-12-07 Great leaders embrace a higher purpose to win. The Net Promoter System shines as their guiding star. Few management ideas have spread so far and wide as the Net Promoter System (NPS). Since its conception almost two decades ago by customer loyalty guru Fred Reichheld, thousands of companies around the world have adopted it from industrial titans such as Mercedes-Benz and Cummins to tech giants like Apple and Amazon to digital innovators such as Warby Parker and

Peloton Now Reichheld has raised the bar yet again In *Winning on Purpose* he demonstrates that the primary purpose of a business should be to enrich the lives of its customers Why Because when customers feel this love they come back for more and bring their friends generating good profits This is NPS 30 and it puts a new take on the age old Golden Rule treat customers the way you would want a loved one treated at the heart of enduring business success As the compelling examples in this book illustrate companies with superior NPS consistently deliver higher returns to shareholders across a wide array of industries But winning on purpose isn't easy Reichheld also explains why many NPS practitioners achieve just a small fraction of the system's full potential and he presents the newest thinking and best practices for doing NPS right He unveils the Earned Growth Rate EGR the first reliable complementary accounting measure that can truly leverage the power of NPS With keen insight and moving personal stories Reichheld advances the thinking and practice of NPS *Winning on Purpose* is your indispensable guide for inspiring customer love within your own teams and using Net Promoter to achieve both personal and business success
