Mediaweek, 2010 Internet Simplified Paul McFedries, 2011-05-04 The content boom on the Internet has been explosive in the past few years with more than a billion people surfing worldwide. Internet Simplified shows beginning level computer users how to get comfortable surfing the web and how to navigate the flood of information once they find what they're looking for. Users will find helpful information on the most talked about newcomers to the online world such as social networking sites like Facebook and MySpace, blogging and downloading media content from YouTube and iTunes as well as an introduction to the old standbys such as email, auction sites and instruction for safe surfing. Coverage on how to safeguard against viruses and SPAM and keep computers free from unwanted visitors is approached in a gentle, user friendly manner so anyone can apply the techniques and be free from troublesome intrusions. Full color screen shots and numbered step by step instructions guide readers through the intricacies of navigating the web in a friendly, approachable way. The updated design features a more sophisticated look and larger fonts and images to make this a perfect reference for all ages.
