The 10-Second Commute Terri R. Kurtzberg,Mason Ameri,2022-10-18 Virtual work which was steadily on the rise even before the pandemic is explored in this timely book that describes the impact of technology on our work experiences ranging from the individual psychological level to the broad societal implications Widespread remote work is now possible but it comes with its share of frustrations Virtual work has changed our lives in ways big and small from trying to balance our time to what we wear and where we sit and from how we communicate to where we should look during a videoconference It s also fundamentally changed what kinds of jobs we can now do Grounded in research and including lively personal anecdotes The 10 Second Commute provides a thoughtful and comprehensive scan of the nature of virtual work The authors both researchers in management and technology explore the current questions of our virtual lives such as Why Zoom instead of Skype Why are emojis so useful Why is videoconferencing so exhausting How does diversity at work both help and hinder productivity Virtual work is more than just work it permeates our whole lives and it will continue to do so as hybrid work arrangements become the new normal Helping readers better understand the virtual work experience this book will engage and inform everyone who is still trying to make it work

The Conceptual Foundations of Investing Bradford Cornell,Shaun Cornell,Andrew Cornell,2018-09-19 The need to know essentials of investing This book explains the conceptual foundations of investing to improve investor performance There are a host of investment mistakes that can be avoided by such an understanding One example involves the trade off between risk and return The trade off seems to imply that if you bear more risk you will have higher long run average returns That conclusion is false It is possible to bear a great deal of risk and get no benefit in terms of higher average return Understanding the conceptual foundations of finance makes it clear why this is so and thereby helps an investor avoid bearing uncompensated risks Another choice every investor has to make is between active versus passive investing Making that choice wisely requires understanding the conceptual foundations of investing Instructs investors willing to take the time to learn all of the concepts in layman s terms Teaches concepts without overwhelming readers with math Helps you strengthen your portfolio Shows you the fundamental concepts of active investing The Conceptual Foundations of Investing is ultimately for investors looking to understand the science behind successful investing
