Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,2006 *Higher Education Outcomes Assessment for the Twenty-First Century* Peter Hernon,Robert E. Dugan,Candy Schwartz,2013-05-09 This book discusses recent trends in outcomes assessment examines how state governments are reshaping the national discussion with higher education and explains how libraries must respond to these changes Higher Education Outcomes Assessment for the Twenty first Century focuses on recent developments in outcomes assessment especially from the perspectives of the federal government and state governments as well as foundations concerned about the state of higher education The authors identify the significant changes that these stakeholders call for information that academic librarians and anyone following outcomes assessment need to be aware of and interpret the discussions to identify implications for libraries Building upon the foundation of knowledge presented in the previous two Libraries Unlimited Outcomes Assessment in Higher Education titles this book provides readers with up to date coverage of topics such as the emerging metrics used to define student and institutional success the increased importance of accountability and the need to compare and assess the performance of programs and institutions rather than individual courses and the shift in prioritizing student outcomes over student learning outcomes The authors also spotlight the critical need for libraries to fit their role within the national discussion and suggest ways in which library managers and directors can play a role in redirecting the discussion to their benefit *Departments of Labor, and Health and Human Services, Education, and Related Agencies Appropriations* United States. Congress. Senate. Committee on Appropriations,2007 Financing Higher Education in Africa World Bank,2010-04-21 The training and development of human capital in Sub Saharan Africa SSA will help countries in the region diversify their economies carry out economic transformation and support sustainable growth Higher education plays a key role in training qualified individuals who will be

able to implement new technologies and use innovative methods to establish cost efficient and effective enterprises and institutions However in order for SSA to reap the benefits of this investment in human capital higher education institutions must secure financing to provide quality training and sound professional prospects to their students Currently tertiary education development is unsustainable resources per student are declining and the quality of education is affected These issues are particularly pressing in times of financial global crisis when available resources for tertiary education tend to diminish The impact of the crisis that started in 2008 provides a clear illustration of the need to explore innovative ways to diversify and secure financing for higher education in SSA Financing Higher Education in Africa provides a comprehensive overview of higher education financing in SSA The book begins with an explanation of the fundamental problems faced by higher education institutions and students in SSA namely the combined pressure of a rapid growth in demand and a growing scarcity of public resources and it presents the dramatic consequences of these trends on quality The book then turns to analyzing and comparing the current funding policies in SSA countries and it provides recommendations for improvement Finally the book examines the alternatives to the status quo and the policy tools needed to both diversify resources and allocate them based on performance It will be of great interest to governments universities research institutions and international organizations throughout the region
