Goodreads Choice In The Us:

Focus On: 100 Most Popular American Internet Celebrities Wikipedia contributors, *The Best American Mystery and Suspense 2023* Lisa Unger, Steph Cha, 2023-10-17 A collection of the year's best mystery and suspense short fiction selected by New York Times bestselling author Lisa Unger and series editor Steph Cha. This form has a special kind of magic: the ability to transport you quickly and intensely to capture character, time, place, and story with immediacy. Writes guest editor Lisa Unger in her introduction. The transporting stories in this year's *The Best American Mystery and Suspense* are populated by those who exist on the fringe of our society and want more than what life has dealt them. A haunted veteran turned career criminal is on the run. An injured fighter turned bouncer seeks vengeance for his lost love. An assassin on his last job finds himself questioning his life choices and breaks all the rules to understand his final victim. By turns thrilling and enlightening, each story, according to Unger, will have you holding your breath. Flipping the pages will leave you thinking about people and why they do the dark, dangerous, frightening things that they do. *The Best American Mystery and Suspense 2023* includes Ashley Ruth M. Bernier, William Boyle, S. A. Cosby, Jacqueline Freimor, James A. Hearn, Ladee Hubbard, A. J. Jacono, Adam Meyer, Silvia Moreno Garcia, Walter Mosley, Leigh Newman, Joyce Carol Oates, Margaret Randall, Annie Reed, Anthony Neil Smith, Faye Snowden, Jervey Tervalon, Joseph S. Walker, Thaa Walker, Jess Walter. **Love Is for All of Us** James Crews, Brad Peacock, 2025-05-06 This luminous and open-hearted anthology of poems from the LGBTQIA community proves that there is nothing more universal than love. Edited by James Crews with his husband Brad Peacock and illustrated by Lisa Congdon, these compassionate poems of connection and affirmation are a celebration of all kinds of love: romantic, family, friendship, self-love, and love for nature. The poems are gathered from a diverse group of contemporary writers, both part of and allied with the LGBTQIA community, with a special focus on queer, nonbinary, and transgender poets. Contributors include Andrea Gibson, Ellen Bass, Nikita Gill, Mark Doty, Audre Lorde, Richard Blanco, Gabrielle Calvocoressi, Danez Smith, Joy Ladin, Carl Phillips, Li Young Lee, and many others. Brief essays called *Stories of Becoming* act as touchstones throughout the book, telling the inspiring and touching stories of LGBTQIA people whose experiences may bring hope to others. **They Called Us** **Exceptional** Prachi Gupta, 2024-10-07 An Indian American daughter reveals how the dangerous model minority myth fractured her family in this searingly honest memoir that manages to be at once a scalding indictment and a heartfelt love letter. Scott Stossel, author of *My Age of Anxiety*, examines with boundless love the secrets and sorrows of one family. Gupta shows us the life-altering power of telling one's truth. Megha Majumdar, author of *A Burning*, asks: How do we understand ourselves when the story about who we are supposed to be is stronger than our sense of self? What do we stand to gain and lose by taking control of our narrative? These questions propel Prachi Gupta's heartfelt memoir and can feel particularly fraught for immigrants and their children who live under immense pressure to belong in America. Prachi Gupta's family embodied the American Dream: a doctor father and a nurturing mother who raised two high-achieving children with one foot

in the Indian American community the other in Pennsylvania's white suburbia But their belonging was predicated on a powerful myth that Asian Americans have perfected the alchemy of middle class life raising tight knit ambitious families that are immune to hardship Molding oneself to fit this perfect image often comes at a steep but hidden cost In *They Called Us Exceptional* Gupta articulates the dissonance shame and isolation of being upheld as an American success story while privately navigating traumas invisible to the outside world Gupta addresses her mother throughout the book weaving a deeply vulnerable personal narrative with history postcolonial theory and research on mental health to show how she slowly made sense of her reality and freed herself emotionally and physically from the pervasive reductive myth that had once defined her But tragically the act that liberated Gupta was also the act that distanced her from those she loved most By charting her family's slow unraveling and her determination to break the cycle Gupta shows how traditional notions of success keep us disconnected from ourselves and one another and passionately argues why we must orient ourselves toward compassion over belonging

Stories Can Save Us Matt Tullis, 2024-06 Great journalism relies on a narrative arc to engage and inform the reader *Stories Can Save Us* looks at how the best reporters and writers craft narrative literary journalism Journalist Matt Tullis uses the material he gathered in the more than seventy five interviews he conducted with the best narrative and literary journalists in the country through his podcast *Gangrey The Podcast* to show how these professionals conceive and write such compelling stories Through his podcast Tullis interviewed Pulitzer Prizewinners National Magazine Award winners and many authors of books of narrative journalism including New York Times best selling authors He also spoke with reporters of different races and backgrounds styles and strengths journalists who have been published in the most prestigious newspapers and magazines to ask How do they find story ideas How do they reach out to potential story subjects What are their interview strategies How do they conduct other information gathering How do they come up with their amazing and enticing leads How do they develop story structure How does the story change in the revision process How do they make their stories great and make them into the types of stories that people read and talk about for years Through Tullis's conversations with these top tier journalists we are offered a window into their methods and practices as well as the motivations behind great journalism and how it speaks to the cultural climate of its time Tullis's goal was to expand the power and potential of what amazing reporting and narrative writing can do believing that it can literally change a reader's mood and possibly a reader's life

misfortune y feeling you ll no doubt genuinely it A more extended out variation of this is to say that my overall impressions of this were all things considered sure Basically I found the central ardent plotline in it to be sweet and convincing I partook in that there was an incredible development to their relationship which felt sensible It helps that the piece and pacing are both solid which you d expect from a pre arranged maker like Hoover Exactly when I at first read the explanation I was a little stressed that this book would be all things considered a grouch and I think it successfully could ve transformed into a semi putting story in some unsuitable hands down In any case Hoover really buckles down of managing the tone of the novel so it feels energetic yet completely not exorbitantly troubled The male saint is an all around traditional ardent legend but I liked that the principal individual of Kenna had a charming sensation of character which helped me with appreciating and root for their relationship Kenna is depicted as someone with a deplorable puberty achieving being someone in her more young years who wasn t really set up dressed somewhat provocatively and wasn t the sort of individual watchmen required their youngster to get back I adored her deformities and it made the story feel fairly more real to me Here is a Preview of What You Will Get A Detailed Introduction A Comprehensive Chapter by Chapter Summary Etc Get a copy of this summary and learn about the book

Sisters in the Wind Angeline Boulley,2025-09-02 From the instant New York Times bestselling author of Firekeeper s Daughter and Warrior Girl Unearthed comes a daring new mystery about a foster teen claiming her heritage on her own terms Ever since Lucy Smith s father died five years ago home has been more of an idea than a place She knows being on the run is better than anything waiting for her as a ward of the state But when the sharp eyed and kind Mr Jameson with an interest in her case comes looking for her Lucy wonders if hiding from her past will ever truly keep her safe Five years in the foster system has taught her to be cautious and smart But she wants to believe Mr Jameson and his friend not friend a tall and fierce looking woman who say they want to look after her They also tell Lucy the truth her father hid from her She is Ojibwe she has had a sister and more siblings a grandmother who d look after her and a home where she would be loved But Lucy is being followed The past has destroyed any chance at safety she had Will the secrets she s hiding swallow her whole and take away any hope for the future she always dreamed of When the past comes for revenge it s fight or flight Angeline Boulley s award winning canon of books puts compelling characters and fast paced action at the center of narratives rich in historical context Read Firekeeper s Daughter Warrior Girl Unearthed and the soon to be released Sisters of the Wind in any order but like the world itself there are echoes within each for the other stories Pick this up if you love quiet girls with dark pasts explosive opening scenes wolves in sheeps clothing
