Nhl Opening Night Last 90 Days:

When the NHL Invaded Japan Steve Currier,2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world Congressional Record United States. Congress,1995 **One**

Last Shot Mitchell Krugel,2007-04-01 One Last Shot gives Jordan fans the inside scoop they re looking for on basketball s greatest legend with exclusive interviews from NBA executives players and coaches Mitchell Krugel uses his fifteen years of following Michael Jordan s every move to explain why the man who left the game as The Greatest Player of All Time would risk his unparalleled legend to play again After delivering the Chicago Bulls their sixth championship in 1998 by pulling off what became known as the greatest money shot in the history of the NBA Michael believed he still had much of that Greatest Player Of All Time left in his game But he felt that retirement was forced on him in 1999 and he left the game craving more doses of fifty point binges winner take all confrontations and repeated nights of reminding fans they just saw the greatest player ever One Last Shot not only explains why Michael Jordan came back to the court but also looks at his transition from Wizards executive to player his struggle to join a team that had grown up with his posters on their walls and his glories and setbacks in a Wizards season chock full of both struggles and surprises Krugel also details the star laden workouts Michael designed in the summer of 2001 to get his game back into shape This look at Michael Jordan circa 2001 2002 shows how much basketball had changed since his last coming and how much it hadn t and how his drive pushed him to the verge of a crippling knee injury all in the pursuit of winning And for six weeks he did make it back He made the shots He made good on his mission to try to teach the Wizards how to be winners to teach talented teammate Richard Hamilton to be a shooting star and to whip Kwame Brown the high school kid he made the first ever first pick in the NBA draft into a man And he did the things that only a man of legend could do Krugel analyzes both the man and the legend to trace how the First Coming led to a Second and to a Third and he chronicles the season that defines Michael Jordan as a man who will forever be playing for one last shot *Hockey Night in Canada* Michael McKinley,2012-10-30 Hockey Night in Canada has reached a great age and for television practically an immortal one because it made itself into something that Canada couldn t live without It is this surge of emotion that connected us all each week and which connects us through the years to now Hockey Night in

Canada didn't just aim a camera at a game and observe what happened it actively gave the country a prism through which it could see itself and its evolving diversity We look where the eye of Hockey Night in Canada looks and it looks at us We remember what it remembers We feel what it feels That is the dynamic that has made the show much more than a long lived TV success it is a cultural juggernaut Ask fans where they saw their first hockey game and chances are it was on Hockey Night in Canada Ask the players male or female what first got them into the rink and the answer will be the same they wanted to be like the players on Hockey Night in Canada

New York Magazine, 1984-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Rebirth of Professional Soccer in America Dennis J. Seese, 2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize Leagues competed in the U S as far back as the late 1800s and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden Multiple leagues existed during the early 1900s but after the American Soccer Association folded in 1933 the country did not see a rebirth of professional soccer until 1967 It was a painful hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues The United Soccer Association USA and the National Professional Soccer League NPSL The Rebirth of Professional Soccer in America The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport's history The USA and NPSL were ragged misshapen pieces of a puzzle that refused to fit together two leagues competing directly for fans and revenue While the USA was a league sanctioned by FIFA but absent from the nation's airwaves the NPSL was considered an outlaw league by FIFA but it held an exclusive television contract with CBS This would have been strange enough but the USA league imported entire teams from Great Britain Italy and South America including Stoke City Wolverhampton Wanderers Cagliari Calcio and Bangu This book recounts soccer riots in Yankee Stadium teams with dual identities World Cup winners on the pitch and a cast of characters featuring the likes of Phil Woosnam Lamar Hunt Derek Dougan and Gordon Banks Drawing on meticulous research and interviews this book reveals the little known story that unfolded on the field in the boardroom and across the country during this single strange season of professional soccer Featuring an impressive group of global soccer legends this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters as well as for soccer fans around the world

Board of Contract Appeals Decisions United States. Armed Services Board of Contract Appeals,1994 **Cold War on Ice** John G. Robertson,Carl T. Madden,2023-10-11 Between December 28 1975 and January 11 1976 a groundbreaking hockey event took place Super Series 76 Eight National Hockey League clubs each hosted a single exhibition game against one of two touring teams from the USSR Central Red Army or Wings of the Soviet Officially nothing was at stake but serious hockey fans realized that a Cold War clash of political ideologies was occurring on North American ice surfaces The top pro teams would finally meet the best amateurs from the Soviet Elite League The reputations of the NHL and Soviet hockey were both on the line Canadians already knew how strong the Soviets were based on the eye opening experiences of both countries hockey stars in the 1972 and 1974 Summit Series For many Americans however the talents of the exotic Eastern Bloc visitors provided a stunning revelation This book outlines the history of the intense Canada USSR hockey rivalry that preceded Super Series 76 and then focuses on those eight captivating games in New York Pittsburgh Montreal Buffalo Boston Chicago Long Island and Philadelphia Two of these contests are still widely discussed today for vastly different reasons One may have been the greatest hockey game ever played **This Day in Sports** Ernie Gross,2017-07-06 Sports events represent for many landmarks for memories contexts that securely fix moments in past time And in America perhaps more than in any other country they are part of what connects the individual to the multitude When we add them to our remembrances they subtly suggest that like sporting contests our personal tales are fit for public consumption How easy and natural it is to add a little referential sidebar to the stories we tell I started work in January I remember because the Bills had just lost the Super Bowl the fourth one On a broader scale sports have left their imprint on the stony history of the nation Beginning slowly with a game of bowls 1611 something like miniature golf in New England 1652 horse racing on Long Island and billiards in Charlestown 1722 the sporting life then gained momentum and a firmer grip on the national conscience with the early play of baseball basketball and football games that would come to dominate the sports scene in 20th century America Organized by day of the year this volume provides the browser the trivia buff and the sports historian a record of thousands of frames matches series and championships Whether it s the day a bases loaded walk gave the National League its 16th All Star victory in 17 seasons July 17 1979 or the day Harvard defeated Yale and Brown in the first ever intercollegiate regatta July 26 1859 there s something new buried within the tome s 365 layers for even the most
