Romance and the Gentry in Late Medieval England Michael Johnston, 2014-06-19 *Romance and the Gentry in Late Medieval England* offers a new history of Middle English romance the most popular genre of secular literature in the English Middle Ages Michael Johnston argues that many of the romances composed in England from 1350 1500 arose in response to the specific socio economic concerns of the gentry the class of English landowners who lacked titles of nobility and hence occupied the lower rungs of the aristocracy The end of the fourteenth century in England witnessed power devolving to the gentry who became one of the dominant political and economic forces in provincial society As Johnston demonstrates this social change also affected England's literary culture

particularly the composition and readership of romance Romance and the Gentry in Late Medieval England identifies a series of new topoi in Middle English that responded to the gentry's economic interests But beyond social history and literary criticism it also speaks to manuscript studies showing that most of the codices of the gentry romances were produced by those in the immediate employ of the gentry By bringing together literary criticism and manuscript studies this book speaks to two scholarly communities often insulated from one another it invites manuscript scholars to pay closer attention to the cultural resonances of the texts within medieval codices simultaneously it encourages literary scholars to be more attentive to the cultural resonances of surviving medieval codices Karen Lindeffelt: The Historical Romance Collection, Volume 1 [Box Set 59] Karen Lindeffelt, In *Bride in Hiding* Susannah Kirk hopes to escape an unwanted marriage by posing as a lady's companion in the bridegroom's ancestral home Trevor Dalton one of her reclusive lady's grandsons makes a surprise visit and Susannah worries he may be the very man she is trying to avoid Trevor's attempts at averting a family scandal are hampered by Susannah at every turn This ignites his curiosity and he becomes determined to uncover Susannah's secrets even if he has to seduce them out of her In *Confessions of a Lady Ruined* Julia Bassett can't bear living in the home of the handsome lord who charmed her and then ruined her especially while he searches for a wife Julia will do anything to lose her position as his sister's chaperone even if it means repeating the same scandalous behavior that separated them long ago Colin Danforth enjoys seeing how far Julia will go but he regrets breaking her heart and would like to win her back But when attempts are made on his life he must find out if this bold vixen is seeking love or vengeance In *The Truth About Georgiana* Georgiana Hayward is betrothed by her family to a marquess many years her senior Worse his dashing nephew and outraged heir Anthony Baxter is the man she secretly desires Anthony opposes the union due to decorum panicked relatives and especially Georgiana's kiss that has put a chink in his armor When his attempts to dissuade this notorious hellion leave him frustrated amused and falling in love he must decide whether to risk a scandal of his own and claim the heart of this wild vixen A BookStrand Mainstream Romance *Historical Romance 2-Book Bundle* Julia London, 2011-08-30 New York Times bestselling author Julia London has thrilled readers of historical romance for more than a decade Now together for the first time as an ebook bundle here are the novels that launched her captivating career *THE DEVIL'S LOVE* Abigail Carrington sails to England to marry the man she has loved since childhood At the altar Michael Ingram Marquis of Darfield seems a dark brooding stranger With scandal shadowing his past the Devil of Darfield has agreed to the marriage only to save his ancestral home But Abigail's charm bedevils him just as the passion of Michael's kiss gives her hope that theirs can be more than a marriage of convenience *WICKED ANGEL* She may be the talk of the ton but Alexander Christian Duke of Sutherland recognizes the ravishing Bavarian countess for who she really is Lauren Hill the widowed country girl who captured his heart despite his pledge to another woman Lauren needs to see the man who haunts her dreams Alexander wants one night with his blue-eyed enchantress They'll soon discover that forbidden love is always a scandalous choice Gay For You, LGBT

Reading the Late Byzantine Romance Adam J. Goldwyn, Ingela Nilsson, 2018-12-20 The corpus of Palaiologan romances consists of about a dozen works of imaginative fiction from the thirteenth to the fifteenth centuries which narrate the trials and tribulations of aristocratic young lovers. This volume brings together leading scholars of Byzantine literature to examine the corpus afresh and aims to be the definitive work on the subject, suitable for scholars and students of all levels. It offers interdisciplinary and transnational approaches which demonstrate the aesthetic and cultural value of these works in their own right and their centrality to the medieval and early modern Greek, European, and Mediterranean literary traditions. From a historical perspective, the volume also emphasizes how the romances represent a turning point in the history of Greek letters; they are a repository of both ancient and medieval oral poetic and novelistic traditions and yet are often considered the earliest works of Modern Greek literature.

projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other
