Maria Jaoudi

Medieval And Renaissance Spirituality Discovering The Treasures Of The Great Masters:

Medieval and Renaissance Spirituality Maria Jaoudi, 2010 Displays the theology and spirituality of the Middle Ages and Renaissance in the three major western religious traditions Judaism Christianity and Islam *Tracing the Trails in the Medieval World* Albrecht Classen, 2020-10-11 Every human being knows that we are walking through life following trails whether we are aware of them or not Medieval poets from the anonymous composer of Beowulf to Marie de France Hartmann von Aue Gottfried von Strassburg and Guillaume de Lorris to Petrarch and Heinrich Kaufringer predicated their works on the notion of the trail and elaborated on its epistemological function We can grasp here an essential concept that determines much of medieval and early modern European literature and philosophy addressing the direction which all protagonists pursue as powerfully illustrated also by the anonymous poets of Herzog Ernst and Sir Gawain and the Green Knight Dante's Divina Commedia in fact proves to be one of the most explicit poetic manifestations of the fundamental idea of the trail but we find strong parallels also in powerful contemporary works such as Guillaume de Deguileville's *Plerinage de la vie humaine* and in many mystical tracts Music, Rhetoric and Christian Hebraism in Early Modern Europe Hyun-Ah Kim, 2025-10-01 This book presents the first in depth exploration of the relationship between music rhetoric and Christian Hebraism by re appraising the significance of the first German humanist Johannes Reuchlin's study of Kabbalah and cantillation in the light of Renaissance rhetoric Few studies have investigated how Renaissance humanists learned Hebrew language for the delivery pronuntiatio of the Hebrew Bible as an aural oral tradition Hyun Ah Kim examines the way in which grammarian philosopher Reuchlin reconstructed the modulata recitatio of the Hebrew Bible and its underlying intellectual foundation Consequently Kim demonstrates the hitherto neglected Hebraic aspect of Renaissance rhetoric and its mystical implications that played a vital role in shaping a new theoretical framework for the art of accented singing an art which has changed European musical culture ever since *Music Rhetoric and Christian Hebraism in Early Modern Europe* elucidates why this nexus is essential for understanding the integral relationship between music language and theological philosophy

Christian Meditation in Clinical Practice Joshua J. Knabb, 2021-11-30 What would it look like to turn to the Christian faith to cultivate meditation practices Presenting Christian meditation as an alternative to Buddhist informed mindfulness this workbook from Dr Joshua Knabb offers a Christian sensitive approach to meditation in clinical practice focusing on both building theory and providing replicable practices for Christian clients and their therapists **Mindfulness as Sustainability** Maria Jaoudi, 2021-02-01 The inundation of terrifying environmental news in recent years has left many people exhausted and in despair about our planet's future In *Mindfulness as Sustainability* Maria Jaoudi addresses the need to take care of ourselves intellectually spiritually and emotionally during the current global climate crisis Drawing on specific teachings stories and explorations of consciousness and reality from Buddhist Christian Daoist Hindu Indigenous Islamic and Jewish traditions Jaoudi demonstrates that mindfulness is sustainability and that mindfulness practice applied both personally

and politically can help mitigate global climate change and rectify environmental injustice Through illuminating discussions of primary scriptures key spiritual figures discoveries of modern science and moments of social transformation she offers practical ways to live our lives mindfully ethically and sustainably Written for students and lay readers the book makes the case that we can sustain our planet if we maintain our strength increase our knowledge and remain sensitive to the beauty and the sentience that is both within us and around us

The Quest for God William Switala,2020-11-10 The Quest for God is a study of the explosion of interest in newer approaches to spirituality that took place in the west among Christians Jew and Muslims in the twelfth century The book explores the historic internal and external forces that influenced members of the three major faith groups who were looking for new ways to approach their personal relationship with God It contains a detailed explanation of the new attitudes and religious practices that emerged among the three groups during that century This includes special emphasis placed on the mysticism of Christian monks and nuns the Kabbalah of the Jews and the tenets of Sufism in Islam It also paints a clear picture of the role played by the leading figures both male and female who pioneered this effort A unique feature of the book is the linkage of similar imagery biblical references mystical attitudes and actual religious practices utilized by all three faith systems to achieve a newer more mystical approach to spirituality The fundamental development of spiritual approaches initiated by these three faiths laid the foundation for many of the spiritual practices we have today Each of the three faiths is covered in a separate section Preceding the discussion of the spiritual elements of each is a chapter dealing with the historical setting in which that faith operated A final chapter summarizes the entire work and shows the common characteristics that each group had and links them together
