and Daniel T. Kline*

Medieval Afterlives In Popular Culture The New Middle Ages

Mary C. Flannery

Medieval Afterlives In Popular Culture The New Middle Ages:

Medieval Afterlives in Popular Culture G. Ashton,D. Kline,2012-12-10 This book is concerned with our ideological technical and emotional investments in reclaiming medieval for contemporary popular culture The authors illuminate both medieval and contemporary popular culture in surprising and productive ways while interrogating the many ways in which metamediavalism reinterprets and reconceptualises the medieval

Medieval Afterlives in Popular Culture G. Ashton,D. Kline,2012-12-10 This book is concerned with our ideological technical and emotional investments in reclaiming medieval for contemporary popular culture The authors illuminate both medieval and contemporary popular culture in surprising and productive ways while interrogating the many ways in which metamediavalism reinterprets and reconceptualises the medieval

Medieval Afterlives in Contemporary Culture Gail Ashton,2015-03-12 With contributions from 29 leading international scholars this is the first single volume guide to the appropriation of medieval texts in contemporary culture *Medieval Afterlives in Contemporary Culture* covers a comprehensive range of media including literature film TV comics book adaptations electronic media performances and commercial merchandise and tourism Its lively chapters range from Spamalot to the RSC Beowulf to Merlin computer games to internet memes opera to Young Adult fiction and contemporary poetry and much more Also included is a companion website aimed at general readers academics and students interested in the burgeoning field of Medieval afterlives complete with Further reading weblinks My favourite guides to contemporary medieval appropriations Images and interviews Guide to library archives and manuscript collections Guide to heritage collection See also our website at <https://medievalafterlives.wordpress.com>

The Middle Ages in the Modern World Bettina Bildhauer,Chris Jones,2017-09-28 This book provides many fresh perspectives on why and how the Middle Ages continue to matter so much in the 21st century It is therefore as much about recent cultural and political history as it is about medieval history and medieval literature The introduction provides a long overview of medievalism from the 14th to the 21st centuries

International Medievalism and Popular Culture Louise D'Arcens,Andrew Lynch,2014-04-18 Today medievalism is increasingly intelligible as a cultural lingua franca produced in trans and international contexts with a view to reaching popular international audiences some of mass scope This book offers new perspectives on international relations and how global concerns are made available through contemporary medievalist texts It questions how research in medievalism may help us rethink the terms of internationalism and globalism within popular cultures ideologies and political formations It investigates how the diverse media of medievalism print film and television arts and crafts fashion digital media clubs and fandom affect its cultural meaning and circulation and its social function and engage questions of desire gender and identity construction As a whole *International Medievalism and Popular Culture* differs from those studies which have concentrated on imaginative appropriations of the middle ages for domestic cultural contexts It investigates rather how contemporary cultures engage with medievalism to map and model ideas of the international the trans national the cosmopolitan and the

global This book includes examples from Europe Britain North America Australia and the Arab world It discusses the formation and the impact of popular medievalism in the globalised worlds of Braveheart Disney and Harry Potter but it also explores how the contemporary medieval imaginary generates international cultural perspectives for example in considering Middle Eastern reception of Ridley Scott's Kingdom of Heaven the Byzantinism of Julia Kristeva and Hedley Bull's postnationalist new medievalism International Medievalism in Popular Culture is an important contribution to medieval studies cultural studies and historical studies It will be of value to undergraduate postgraduate and academic readers as well as to all interested in popular culture or medievalism

Bodily and Spiritual Hygiene in Medieval and Early Modern Literature Albrecht Classen, 2017-03-20 While most people today take hygiene and medicine for granted they both have had their own history We can gain deep insights into the pre modern world by studying its health care system its approaches to medicine and concept of hygiene Already the early Middle Ages witnessed great interest in bathing hot and cold swimming and good personal hygiene Medical activities grew over time but even early medieval monks were already great experts in treating the sick The contributions examine literary medical historical texts and images and probe the information we can glean from them The interdisciplinary approach of this volume makes it possible to view this large field in a complex and diversified manner taking into account both early medieval and early modern treatises on medicine water bathing and health Such a cultural historical perspective creates a most valuable bridge connecting literary and scientific documents under the umbrella of the history of mentality and history of everyday life The volume does not aim at idealizing the past but it definitely intends to deconstruct modern myths about the dirty and unhealthy Middle Ages and early modern age

Gale Researcher Guide for: Modern Medievalisms: The Fantasy Hero and Heroine on Screen and in Young Adult Fiction Angela Jane Weisl, Gale Researcher Guide for Modern Medievalisms The Fantasy Hero and Heroine on Screen and in Young Adult Fiction is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

The Middle Ages on Television Meriem Pagès, Karolyn Kinane, 2015-04-07 The 21st century has seen a resurgence of popular interest in the Middle Ages Television in particular has presented a wide and diverse array of medieval offerings Yet there exists little scholarship on television medievalism This collection fills the gap with 10 new essays focusing on the depiction of the Middle Ages in popular culture and questioning the role of television in shaping our ideas about past and present The contributors emphasize the need for scholars of medievalism to pay attention to its manifestations on the small screen The essays cover quite a range of topics including genre gender and sexuality The series covered are Game of Thrones Merlin Full Metal Jousting Joan of Arcadia Tudors Camelot and Mists of Avalon Instructors considering this book for use in a course may request an examination copy here

The Cambridge Companion to Medievalism Louise D'Arcens, 2016-03-02 Medievalism the creative interpretation or recreation of the European Middle Ages has had a major

presence in the cultural memory of the modern West and has grown in scale to become a global phenomenon. Countless examples across aesthetic material and political domains reveal that the medieval period has long provided a fund of images and ideas that have been vital to defining the modern. Bringing together local national and global examples and tracing medievalism's unpredictable course from early modern poetry to contemporary digital culture, this authoritative Companion offers a panoramic view of the historical, aesthetic, ideological, and conceptual dimensions of this phenomenon. It showcases a range of critical positions and approaches to discussing medievalism, from more traditional historicist and close reading practices through to theoretically engaged methods. It also acquaints readers with key terms and provides them with a sophisticated conceptual vocabulary for discussing the medieval afterlife in the modern.

"Holy Deadlock" and Further Ribaldries Jody Enders, 2017-03 Crafted with a wit and contemporary sensibility that make them playable half a millennium later, Jody Enders's translations of twelve medieval French farces take on the hilariously depressing and depressingly hilarious state of holy wedlock.

Representing Difference in the Medieval and Modern Orientalist Romance Amy Burge, 2017-02-14 This book, the first full-length cross-period comparison of medieval and modern literature, offers cutting-edge research into the textual and cultural legacy of the Middle Ages, a significant and growing area of scholarship. At the juncture of literary, cultural, and gender studies and capitalizing on a renewed interest in popular western representations of the Islamic east, this book proffers innovative case studies on representations of cross-religious and cross-cultural romantic relationships in a selection of late medieval and twenty-first-century Orientalist popular romances. Comparing the tropes, characterization, and settings of these literary phenomena and focusing on gender, religion, and ethnicity, the study exposes the historical roots of current romance representations of the east, advancing research in Orientalism, neo-medievalism, and medieval cultural studies. Fundamentally, *Representing Difference* invites a closer look at medieval and modern popular attitudes towards the east as represented in romance and the kinds of solutions proposed for its apparent problems.

Reading Women in Late Medieval Europe Alfred Thomas, 2016-04-29 Although Chaucer is typically labeled as the Father of English Literature, evidence shows that his work appealed to Europe and specifically European women. Rereading the *Canterbury Tales*, Thomas argues that Chaucer imagined Anne of Bohemia, wife of famed Richard II, as an ideal reader, an aspect that came to greatly affect his writing.

Spaces for Reading in Later Medieval England Mary C. Flannery, 2016-04-08 We are living in an age in which the relationship between reading and space is evolving swiftly. Cutting-edge technologies and developments in the publication and consumption of literature continue to uncover new physical, electronic, and virtual contexts in which reading can take place. In comparison with the accessibility that has accompanied these developments, the medieval reading experience may initially seem limited and restrictive, available only to a literate few or to their listeners. Yet attention to the spaces in which medieval reading habits can be traced reveals a far more vibrant picture in which different kinds of spaces provided opportunities for a wide range of interactions with and contributions to

the texts being read Drawing on a rich variety of material this collection of essays demonstrates that the spaces in which reading took place or in which reading could take place in later medieval England directly influenced how and why reading happened

Ethics and Medievalism Karl Fugelso, 2014 Essays on the modern reception of the Middle Ages built round the central theme of the ethics of medievalism Ethics in post medieval responses to the Middle Ages form the main focus of this volume The six opening essays tackle such issues as the legitimacy of reinventing medieval customs and ideas at what point the production and enjoyment of caricaturizing the Middle Ages become inappropriate how medievalists treat disadvantaged communities and the tension between political action and ethics in medievalism The eight subsequent articles then build on this foundation as they concentrate on capitalist motives for melding superficially incompatible narratives in medievalist video games Dan Brown's use of Dante's *Inferno* to promote a positivist transhumanist agenda disjunctures from medieval literature to medievalist film in portrayals of human sacrifice the influence of *Beowulf* on horror films and vice versa portrayals of war in *Beowulf* films socialism in William Morris's translation of *Beowulf* bias in Charles Alfred Stothard's *Monumental Effigies of Great Britain* and a medieval source for death in the Harry Potter novels The volume as a whole invites and informs a much larger discussion on such vital issues as the ethical choices medievalists make the implications of those choices for their makers and the impact of those choices on the world around us Karl Fugelso is Professor of Art History at Towson University in Baltimore Maryland Contributors Mary R Bowman Harry Brown Louise D Arcens Alison Gulley Nickolas Haydock Lisa Hicks Lesley E Jacobs Michael R Kightley Phillip Lindley Pascal J Massie Lauryn S Mayer Brent Moberley Kevin Moberley Daniel Raymond Nadon Jason Pitruzello Nancy M Resh Carol L Robinson Christopher Roman M J Toswell

Medieval Saints and Modern Screens Alicia Spencer-Hall, 2025-10-01 This ground breaking book brings theoretical perspectives from twenty first century media film and cultural studies to medieval hagiography *Medieval Saints and Modern Screens* stakes the claim for a provocative new methodological intervention consideration of hagiography as media More precisely hagiography is most productively understood as cinematic media Medieval mystical episodes are made intelligible to modern audiences through reference to the filmic the language form and lived experience of cinema Similarly reference to the realm of the mystical affords a means to express the disconcerting physical and emotional effects of watching cinema Moreover cinematic spectatorship affords at times a more or less secular experience of visionary transcendence an agapeic encounter The medieval saint's visions of God are but one pole of a spectrum of visual experience which extends into our present multi media moment We too conjure godly visions on our smartphones on the silver screen and on our TVs and laptops This book places contemporary pop culture media such as blockbuster movie *The Dark Knight* Kim Kardashian West's social media feeds and the outputs of online role players in *Second Life* in dialogue with a corpus of thirteenth century Latin biographies *Holy Women of Liège* In these texts holy women see God and see God often Their experiences fundamentally orient their life and offer the women new routes to knowledge agency and belonging For the holy

visionaries of Li ge as with us modern seers visions are physically intimate ideologically overloaded spaces Through theoretically informed close readings Medieval Saints and Modern Screens reveals the interconnection of decidedly old media medieval textualities and artefacts of our new media ecology which all serve as spaces in which altogether human concerns are brought before the contemporary culture s eyes

Comic Medievalism Louise D'Arcens,2014 The role of laughter and humour in the postmedieval citation interpretation or recreation of the middle ages has hitherto received little attention a gap in scholarship which this book aims to fill Examining a wide range of comic texts and practices across several centuries from Don Quixote and early Chaucerian modernisation through to Victorian theatre the Monty Python films television and the experience of visiting sites of heritage tourism such as the Jorvik Viking Museum at York it identifies what has been perceived as uniquely funny about the Middle Ages in different times and places and how this has influenced ideas not just about the medieval but also about modernity Tracing the development and permutations of its various registers including satire parody irony camp wit jokes and farce the author offers fresh and amusing insight into comic medievalism as a vehicle for critical commentary on the present as well as the past and shows that for as long as there has been medievalism people have laughed at and with the middle ages Louise D Arcens is Associate Professor in English Literatures at the University of Wollongong

Medievalism and Modernity Karl Fugelso,Joshua Davies,Sarah Salih,2016 Essays examining the complex intertwining and effect of medievalism on modernity and vice versa

Music and Performance in the Later Middle Ages E. Upton,2012-12-28 This book seeks to understand the music of the later Middle Ages in a fuller perspective moving beyond the traditional focus on the creative work of composers in isolation to consider the participation of performers and listeners in music making

Games and Gaming in Medieval Literature Serina Patterson,2015-07-29 The first of its kind Games and Gaming in Medieval Literature explores the depth and breadth of games in medieval literature and culture Chapters span from the twelfth to the sixteenth centuries and cover England France Denmark Poland and Spain re examining medieval games in diverse social settings such as the church court and household

Saint Vincent Ferrer, His World and Life Philip Daileader,2016-04-08 The fourteenth and fifteenth centuries were times of tumultuous change in medieval Europe they witnessed the Black Death the Great Papal Schism heightened fears of the apocalypse and the elimination of Spain s non Christian population Few figures were as widely and as intimately involved in late medieval Europe s struggles as Saint Vincent Ferrer Perhaps the foremost preacher of his day Ferrer spent the final two decades of his life traversing Europe preparing the world for its imminent destruction Saint Vincent Ferrer d 1419 His World and Life reassesses the controversial preacher s motives methods and impact tracing Ferrer s journey from obscure logician to angel of the apocalypse as he came to be known At the same time the book offers new insights into the depth and breadth of late medieval apocalyptic anticipation and into the processes that ultimately led to the expulsions of Spain s Jews and Muslims

Getting the books **Medieval Afterlives In Popular Culture The New Middle Ages** now is not type of challenging means. You could not on your own going bearing in mind ebook growth or library or borrowing from your connections to entry them. This is an agreed simple means to specifically get guide by on-line. This online publication Medieval Afterlives In Popular Culture The New Middle Ages can be one of the options to accompany you in imitation of having other time.

It will not waste your time. acknowledge me, the e-book will totally broadcast you further business to read. Just invest tiny mature to right to use this on-line statement **Medieval Afterlives In Popular Culture The New Middle Ages** as with ease as evaluation them wherever you are now.
