Meditations On The Christ:

Meeting Jesus Christ J. Brian Bransfield, 2023-08-01 In this spiritual companion readers are invited to personally encounter Jesus Christ through twenty one Scriptural meditations which unlock unique perspectives on the mysteries of his life Highlighting the new in the familiar each chapter takes up a different Gospel account from pages of the New Testament and draws the reader into meditation Extending beyond sentimental self styled meditations that only focus on the self this book focuses on Jesus in a way that opens up the mystery and beauty to our everyday lives *That's My King!* Joseph Randall, 2015-03-20 This book is a long meditation on the glories of Christ It includes three of Dr S M Lockridge s poems and many more meditations based on Biblical descriptions of the King of kings and Lord of lords *Meditations on the Life and Passion of Our Lord Jesus Christ* John Tauler, 2023-12-23 Reprint of the original first published in 1875 **The Cross of Christ** Walter Farquhar Hook, 1845 **Christian Meditation** Hans Urs Von Balthasar, 2011-10-12 While von Balthasar s classic Prayer is unparalleled in its development of the Trinitarian Christological Mariological and ecclesiological dimensions of prayer Christian Meditation is a short readable and eminently practical guide to that form of prayer which God s revelation in Jesus Christ has made indispensable meditation on the word of God revealing the inner depths of God to man and since it comes from God made man the inner depths of man to himself In a treatment that is both fresh and profound Balthasar describes the central elements of all Christian meditation provides a guide for making the meditation and then points the way to the union that prayer achieves in the footsteps of Mary within the Church and in and for the world Consequently Christian meditation is entirely trinitarian and at the same time entirely human In order to find God no one need reject being human personally or socially but in order to find God all must see the world and themselves in the Holy Spirit as they are in God s sight Hans Urs von Balthasar *Meditations on the Christ* Romano Guardini, 2014-09-23 These pages don t tell you what Jesus did you know that already Instead they take you into the mind and heart of the Son of God in a way you may not have thought possible You ll come to understand the inner logic of Jesus ministry why Jesus life had to take the course it took why He couldn t have been the earthly king many were expecting and why He couldn t have conformed to the conventional ideas of a warrior a hero or even just a successful man You ll even see why He had to be abandoned by everyone including His disciples yet His Father remained close to Him then just as He remains close to you now Your new insight into why Jesus chose His own particular paths will illuminate the paths He is choosing for your now and will help you stay on those paths with gratitude and joy Let your newfound knowledge of Jesus blossom into joy as directed by these pages you open yourself to the One whose whole being will resound in your heart and will nourish your soul **Meditations on the Life, the Teaching and the Passion of Jesus Christ** Richard F. Clarke, 2008-02 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Meditations on the Life of Christ* Thomas (à

Meditations on the Life and Passion of Our Lord Jesus Christ Johannes Tauler,1902 **The Fire of Christ's Love** Father Raniero Cantalamessa OFM Cap,2012-01-01 Why should we meditate on the cross Because through the cross of Christ we can begin to comprehend God s all consuming love for us The short reflections in this book are taken from homilies presented by renounced evangelist Fr Raniero Cantalamessa on Good Friday in St Peter s Basilica Fr Cantalamessa who has been the preacher of the Papal Household since 1980 unfolds for us the mystery and the power of the cross By willingly embracing the cross for our sake and then rising from the dead Jesus has brought us salvation healing mercy and the hope of eternal life As Fr Cantalamessa contemplates the intensity and reality of Christ s love for us he also shows us how to respond wholeheartedly with that same fire in our hearts **Meditations on the Life of Christ** Thomas (à Kempis),1892 The Sacred Passion of Jesus Christ Richard Frederick Clarke,2017-09-16 Excerpt from The Sacred Passion of Jesus Christ Short Meditations for Every Day in Lent These Meditations deal with some of the main incidents of Our Lord s Sacred Passion They are intended to be begun on Ash Wednesday and to end on Holy Saturday A few verses of Scripture are suggested to be read before each meditation as furnishing the subject matter of which it treats About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Contemplations and meditations on the passion and death of ... Jesus Christ, according to the method of saint Ignatius, tr. from [Méditations selon la méthode de st Ignace] by a sister of mercy, revised by a priest [F. Hathaway]. Frederick Hathaway,1881 **The God of Jesus Christ** Joseph Ratzinger,2018-08-22 In this book of meditations based on a series of

meditations by the author shortly before he became Archbishop of Munich Freising in 1977 theologian Joseph Ratzinger Pope Benedict XVI presents his profound thoughts on the nature and person of God building a bridge between theology and spirituality as he makes wide use of the Sacred Scriptures to reveal the beauty and mystery of who God is He writes about each of the three persons in the Holy Trinity showing the different attributes of each person and that God is three and God is one God is and the Christian faith adds God is as Father Son and Holy Spirit three and one This is the very heart of Christianity but it is so often shrouded in a silence born of perplexity Has the Church perhaps gone one step too far here Ought we not rather leave something so great and inaccessible as God in his inaccessibility Can something like the Trinity have any real meaning for us It is certainly true that the proposition that God is three and God is one is and remains the expression of his otherness which is infinitely greater than us and transcends all our thinking and our existence But as Joseph Ratzinger shows if this proposition meant nothing to us it would not have been revealed And it could be clothed in human language only because it had already penetrated human thinking and living to some extent Without Jesus we do not know what Father truly is This becomes visible in his prayer which is the foundation of his being A Jesus who was not continuously absorbed in the Father and was not in continuous intimate communication with him would be a completely different being from the Jesus of the Bible the real Jesus of history In Jesus prayer the Father becomes visible and Jesus makes himself known as the Son The unity which this reveals is the Trinity Accordingly becoming a Christian means sharing in Jesus prayer entering into the model provided by his life i e the model of prayer Becoming a Christian means saying Father with Jesus Joseph Ratzinger Pope Benedict XVI **Meditations on Life and Living...Born out of Love for God** Wesley J.
