System Andrew Shail, 2019-05-30 Drawing on a wide range of archival sources Andrew Shail traces the emergence of film stardom in Europe and North America in the early 20th century Modifying and supplementing Richard deCordova's account of the birth of the US star system Shail describes the complex set of economic circumstances that led film studios and actors to consent to the adoption of a star system He then explores the film industry's turn from 1908 to making character based series films He details how these characters both prefigured and precipitated the star system demonstrating that series characters and the firmament of film stars are functionally equivalent and shows how openly fictional characters still provide the model for real film stars [Ku Klux Klan Sheet Music](#) Danny O. Crew, 2015-09-16 The Ku Klux Klan has received much attention for its violent activities but comparatively little research has been done on its musical legacy The printed music that still exists is spread throughout the nation in both public and private collections This work presents chronologically the music associated with the Klan from 1867 to 2002 thus enabling readers to sense the arguments and attitudes of the Klan as they

developed and changed over time Because of the relative scarcity of Klan related music non Klan music that mentions the word Klan is included These obscure references help place the Klan in a larger social perspective and are very important in documenting anti Klan musical reaction In instances where a song merely mentions the Klan usually in only one verse or in the chorus then only that verse containing the Klan reference plus appropriate context is included The catalogue also includes Klan related music that does not have lyrics such as marches waltzes two steps and several Klan related pieces that were published in Europe Sheet music was virtually nonexistent after the 1930s so in order to capture a feeling of Klan related music today a limited discography of Klan related recordings from 1920 to 2002 is also included
