Mega Sports Camp 2013:

Legacy, Sustainability and CSR at Mega Sport Events Pierre Lienhard, Holger Preuss, 2014-07-05 The UEFA European Football Championship 2008™ EURO 2008 was the largest sports event ever organized in Switzerland. The host nations Austria and Switzerland emphasized the sustainability of the event. Through their analysis, the authors argue that well-known principles of sustainability and policy were not uniformly implemented for the EURO 2008. Nonetheless, this book shows how in Switzerland a legacy was created through the implementation of corporate governance and social responsibility policies by UEFA, the Swiss Government, and the Swiss Football Association. This book offers an unprecedented resource for sports practitioners and researchers. It provides a wealth of data based on the study of existing scholarly literature, key strategic and conceptual documents, as well as exclusive interviews with high-level executives involved in the organization of EURO 2008.

Impacts and strategic outcomes from non-mega sport events for local communities Marijke Taks, Laurence Chalip, B. Christine Green, 2017-10-02 Do small and medium-sized sporting events affect the overall wellbeing of people living in the host community? If so, how do they affect local life? This book specifically addresses the strategic choices that host communities make when hosting non-mega sporting events and looks at the outcomes of those choices. The contributions to this study assess a variety of tangible and intangible effects, including the economic and social impacts and the effect on tourism and participation in sport. It contains analysis of a variety of events, including spectator and participant events, single sport and multi-sport events, and one-day and multi-day events, all hosted in different types of cities and communities around the globe. Overall, this book identifies and extends our understanding of the nature, management, and implications of non-mega sporting events. The impacts and strategic outcomes highlighted here have practical value for sport event management and strategy and advance our understanding of the economic and social consequences of hosting an event. This book was originally published as a special issue of *European Sport Management Quarterly*. *Annual Report India*. Ministry of Youth Affairs & Sports, 2012.
