A Companion to the Song of Songs in the History of Spirituality Timothy Robinson, 2021-07-05 As one of the most frequently commented on biblical books during antiquity and the middle ages the Song of Songs has played a central role in the history of Christian spirituality At a time of heightened interest in the Song of Songs among biblical scholars historians and students of spirituality this Companion to the Song of Songs in the History of Spirituality provides a state of the art overview of its history challenges some conventional wisdom and presents innovative studies of some lesser known aspects of the Song s reception The essays in this volume including a chapter on Jewish interpretation present the diverse forms of spirituality inspired by the Song since the beginning of the Christian era Contributors Ann W Astell Mark S Burrows Emily Cain Catherine Cavadini Rabia Gregory Arthur Holder Jason Kalman Suzanne LaVere Hannah Matis Bernard McGinn Timothy H Robinson and Karl Shuve

The Book of Job in Jewish Life and Thought Jason Kalman, 2021-12-20 Despite its general absence from the Jewish liturgical cycle and its limited place in Jewish practice the Book of Job has permeated Jewish culture over the last 2 000 years Job has not only had to endure the suffering described in the biblical book but the efforts of countless commentators interpreters and creative rewriters whose explanations more often than not challenged the protagonist s righteousness in order to preserve Divine justice Beginning with five critical essays on the specific efforts of ancient medieval and modern Jewish writers to make sense of the biblical book this volume concludes with a detailed survey of the place of Job in the Talmud and Midrashic corpus in medieval biblical commentary in ethical mystical and philosophical tracts as well as in poetry and creative writing in a wide variety of Jewish languages from around the world from the second to sixteenth centuries

The 'Geometrics' of the Rahab Story Andrzej Toczyski SDB, 2018-05-17 Examines the dialectic relationship between the text conceived as the vehicle of narrative communication and the reader in an assement of the story of Rahab the prostitute from Jericho in Josuha 2 Toczyski uses his study to examine how this story has been read by various audiences across time the different interpretive perspectives and methodologies that have thus been brought to the text and the influences this has had on the manner in which the story has been interpreted In particular Toczyski focuses on internal literary analysis of Joshua 2 and the external historical approach and what this can say about the readers of the text The purpose of such insight is to register how successive interpretations overlap and set the interpretative pattern for subsequent generations of readers As a result of this conceptual framework Toczyski presents the Rahab story in the broader context of the communicative process which has been challenging the story s readers for centuries This deep immersion into both

internal and external contexts reveals the generally overlooked thread within the Rahab story namely the power of storytelling which may prove relevant for contemporary readers by providing grounds for inter cultural dialogue in the postmodern world

The Figure of Abraham in John 8 Ruth Sheridan, 2020-01-09 In the Gospel of John the character of Jesus repeatedly comes into conflict with a group pejoratively designated as the Jews In chapter 8 of the Gospel this conflict could be said to reach a head with Jesus labeling the Jews as children of the devil 8 44 a verse often cited as epitomizing early Christian anti Judaism Using methods derived from modern and post modern literary criticism Ruth Sheridan examines textual allusions to the biblical figures of Cain and Abraham in John 8 1 59 She pays particular attention to how these allusions give shape to the Gospel s alleged and infamous anti Judaism exemplified in John 8 44 Moreover the book uniquely studies the subsequent reception in the Patristic and Rabbinic literature not only of John 8 but also of the figures of Cain and Abraham It shows how these figures are linked in Christian and Jewish imagination in the formative centuries in which the two religions came into definition

Die Anrechnung des Glaubens zur Gerechtigkeit Sascha Flüchter, 2010

Divine Scapegoats Andrei A. Orlov, 2015-02-10 Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts Divine Scapegoats is a wide ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts In these materials antagonists often mirror features of angelic figures and even those of the Deity himself an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality Andrei A Orlov examines the sacerdotal messianic and creational aspects of this mimetic imagery focusing primarily on two texts from the Slavonic pseudepigrapha 2 Enoch and the Apocalypse of Abraham These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism The Yom Kippur ritual in the Apocalypse of Abraham the divine light and darkness of 2 Enoch and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov s consideration

The Golden Calf Between Bible and Qur'an Michael E. Pregill, 2020 This book explores the story of the Israelites worship of the Golden Calf in its Jewish Christian and Muslim contexts from ancient Israel to the emergence of Islam It focuses in particular on the Qur an s presentation of the narrative and its background in Jewish and Christian retellings of the episode from Late Antiquity Across the centuries the interpretation of the Calf episode underwent major changes reflecting the varying cultural religious and ideological contexts in which various communities used the story to legitimate their own tradition challenge the claims of others and delineate the boundaries between self and other The book contributes to the ongoing reevaluation of the relationship between Bible and

Qur'an arguing for the necessity of understanding the Qur'an and Islamic interpretations of the history and narratives of ancient Israel as part of the broader biblical tradition The Calf narrative in the Qur'an central to the Qur'anic conception of the legacy of Israel and the status of the Jews of its own time reflects a profound engagement with the biblical account in Exodus as well as being informed by exegetical and parascriptural traditions in circulation in the Qur'an's milieu in Late Antiquity The book also addresses the issue of Western approaches to the Qur'an arguing that the historical reliance of scholars and translators on classical Muslim exegesis of scripture has led to misleading conclusions about the meaning of Qur'anic episodes

Beastly Morality Jonathan K. Crane, 2015-12-01 We have come to regard nonhuman animals as beings of concern and we even grant them some legal protections But until we understand animals as moral agents in and of themselves they will be nothing more than distant recipients of our largesse Featuring original essays by philosophers ethicists religionists and ethologists including Marc Bekoff Frans de Waal and Elisabetta Palagi this collection demonstrates the ability of animals to operate morally process ideas of good and bad and think seriously about sociality and virtue Envisioning nonhuman animals as distinct moral agents marks a paradigm shift in animal studies as well as philosophy itself Drawing not only on ethics and religion but also on law sociology and cognitive science the essays in this collection test long held certainties about moral boundaries and behaviors and prove that nonhuman animals possess complex reasoning capacities sophisticated empathic sociality and dynamic and enduring self conceptions Rather than claim animal morality is the same as human morality this book builds an appreciation of the variety and character of animal sensitivities and perceptions across multiple disciplines moving animal welfarism in promising new directions

Contemplative Nation Cass Fisher, 2012-04-11 Contemplative Nation challenges the long standing view that theology is not a vital part of the Jewish tradition For political and philosophical reasons both scholars of Judaism and Jewish thinkers have sought to minimize the role of theology in Judaism This book constructs a new model for understanding Jewish theological language that emphasizes the central role of theological reflection in Judaism and the close relationship between theological reflection and religious practice in the Jewish tradition Drawing on diverse philosophical resources Fisher's model of Jewish theology embraces the multiple forms and functions of Jewish theological language Fisher demonstrates the utility of this model by undertaking close readings of an early rabbinic commentary on the book of Exodus Mekhilta of Rabbi Ishmael and a work of modern philosophical theology Franz Rosenzweig's *The Star of Redemption* These readings advance the discussion of theology in rabbinics and modern Jewish thought and provide resources for constructive Jewish theology

Festmahl ohne Ende Claudia D. Bergmann,2019-09-18 Im Zuge des cultural turn wurde auch in der alttestamentlichen Wissenschaft die Nahrungsaufnahme auf ihre symbolischen Aspekte kulturellen und historischen Kontexte hin untersucht Dabei konzentrierte sich die Forschung auf die Darstellung von realen Mahlzeiten in der erz hlten Welt Die im Kontext der apokalyptischen Tradition imaginierten k nftigen M hler in der Kommenden Welt wurden bislang nur sporadisch behandelt und weder zusammenfassend noch systematisch dargestellt An diesem Forschungsdesiderat setzt die vorliegende Arbeit an Methodisch kn pft sie an den sozialwissenschaftlichen Diskurs zu Ritualen an und adaptiert diesen auf biblische und au erbiblische Texte Gezeigt wird dass das Mahl in der Kommenden Welt eine aber nicht die einzige literarische M glichkeit war die Zukunft zu imaginieren Obwohl es vier prominente Hauptthemen gibt erscheint die Idee vom imaginierten

Mahl als eine Art Angebot deren Gestaltungsmöglichkeiten von den antiken Autoren individuell angepasst wurden. Deutlich wird immer, dass imaginierte Mahlrituale Projektionsflächen sind, in denen alle Hoffnungen der unvollkommenen Gegenwart in genussvollem endzeitlichen Speisen erfüllt werden.

Kindesaussetzung und Moral in der Antike Christina

Tuor-Kurth, 2009-12-09 Die Aussetzung neugeborener Kinder für moderne Moral fraglos unmenschlich und grausam kam in den antiken Gesellschaften rund ums Mittelmeer vor. Daraus kann allerdings nicht der Schluss gezogen werden.

Kindesaussetzung sei in der Zeit der Antike ein ganz alltägliches Phänomen gewesen. Zum einen lässt sich aber deren Häufigkeit aus der Distanz von mehr als zweitausend Jahren nichts Sicheres sagen. Zum anderen gab es eine namhafte Zahl an Texten antiker Schriftsteller, in denen Kritik an der Kindesaussetzung geübt wird. Die entsprechenden Quellen sind in der vorliegenden Studie erstmals gesammelt und vergleichend analysiert. Sie zeigen ein klares Bild: Antike Menschen empfanden eine Kindesaussetzung als der Natur widersprechend und als gottlos. Eltern, die derartiges erwogen wurden, als gefühllose, rohe Menschen bezeichnet. Im Bereich des Religiösen gab es Maßnahmen wie der Ausschluss vom Heiligtum für eine bestimmte Zeit oder das Bezahlen einer Geldstrafe. Und wenn es auch bis ins 4. Jahrhundert der christlichen Zeitrechnung kein explizit gesetzliches Verbot der Kindesaussetzung gab, so waren etwa die frühen Christen sicher, dass ein solches Tun dereinst am Ende der Tage bestraft würde. Die antike Kritik an der Kindesaussetzung ist Zeugnis für eine breite Ablehnung derselben in den antiken Gemeinschaften verschiedener Zeiten und Orte. Sie zeigt aber auch, dass Kindesaussetzung keine Praxis sogenannter primitiver Völker war, sondern dass dahinter meist konkrete Not wie Armut oder uneheliche Geburt standen.
