comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

The Business of Sports Mark Conrad, 2017-02-17

The Business of Sports provides a comprehensive foundation of the economic, organizational, legal, and political components of the sports industry. Geared for journalism, communication, and business students, but also an excellent resource for those working in sports, this text introduces readers to the ever-increasing complexity of an industry that is in constant flux. Now in its third edition, the volume continues to offer a wealth of statistics and case studies up to date with the newest developments in sports business and focused on cutting-edge issues and topics, including the many changes in international sports and the role of analytics in decision making and tax rules that have a major effect on athletes and teams.

Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16

Castleman and Podrazik present a season-by-season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming. They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline, Watching TV provides the context and background to this multi-billion dollar enterprise. Drawing on decades of research, the authors weave together personalities, popular shows, corporate strategies, historical events, and changing technologies, enhancing the main commentary with additional elements that include fall prime time schedule grids for every season, date box timelines, highlighted key text, and selected photos. Full of facts, first insights, and exploits from now back to the earliest days, Watching TV is the standard chronology of American television, and reading it is akin to channel surfing through history. The fourth edition updates the story into the 2020s and looks ahead to the next waves of change. This new edition is the first to also be available in a digital format.

From Hockey to Baseball: I kept them in stitches Ken Carson, Larry Millson, 2016-09-30

Ken Carson's career as rink rat, athletic trainer, and executive has spanned sixty years, from junior hockey to the NHL and from major league baseball to the minors. Carson has sharpened skates with Bobby Orr as his helper, been frightened out of a wrestling ring by Yukon Eric, lived at the arena in Rochester, N.Y., stitched up players for the Pittsburgh Penguins, celebrated the Blue Jays' first AL East championship on the turf of Exhibition Stadium as the team trainer who doubled as director of team travel. He was the first trainer for two expansion teams in two sports, the Penguins and the Blue Jays, participating in the 1976 NHL All-Star Game and the 1980 MLB All-Star Game. In 1987, Carson became the Blue Jays' director of Florida operations, which included the role of general manager of the Class A team at Dunedin. As a respected minor league executive, he became president of the Class A Florida State League in 2015. Carson's story as told to Toronto sports writer Larry Millson.
