Dark Aeon Joe Allen, 2023-08-29 Humanity Is Consumed by Relentless Transformation Like a thief in the night artificial intelligence has inserted itself into our lives It makes important decisions for us every day Often we barely notice As Joe Allen writes in this groundbreaking book Transhumanism is the great merger of humankind with the Machine At this stage in history it consists of billions using smartphones Going forward we ll be hardwiring our brains to artificial intelligence systems The world famous robot Sophia symbolizes a rising techno religion She takes her name from the goddess or Aeon whose fall from grace is described in the Gnostic Gospels With an academic background in both science and theology Allen confronts the paradox of what he calls good people constructing a digital abomination Dark Aeon is nothing less than a cri de coeur for humanity itself He takes us on a roller coaster ride through history and the emergence of Scientism and from government mandated mRNA vaccines to the weird visions of cyborg billionaires like Elon Musk From Silicon Valley to China these globalists visions of humanity s future exposed and described in Dark Aeon are dire and terrifying But Joe Allen argues that humanity s salvation is within our grasp Only if we refuse to avert our eyes from the impending twilight before us

The Insanely Simple Guide to the Samsung Galaxy Z Fold 4 and Flip 4 Scott La Counte, 2022-08-26 Fold Back the Power of the Foldable Phone If you are old enough you probably remember your first flip phone There wasn t a lot to it but you could text take pixelated photos and sometimes even search the Internet But then smartphones came along and things got a little bulkier For most of us we were fine with the tradeoff sure they didn t fold into two so we could slip them into our pocket but they took stunning photos played impressive games and had blazing speed But as they say history tends to repeat Here we are years after flip phones pretty much disappeared and we have foldable phones But these aren t your grandma s flip phones They re everything you can expect in a smartphone but compact If you are new to the foldable phone market there s a little bit of a learning curve and that s where this book will help It will cover What makes Fold4 and Flip4 different from iOS Android and other smartphones Taking advantage of folding screens Using the Z Pen Setting up your phone Making calls Turning your phone into a Desktop experience with Samsung DeX Installing apps Using the camera Surfing the Internet Using Samsung SmartTag Changing system settings And much more If you are ready to get into the fold and unlock its potential then let s get started NOTE This guide is not endorsed by Samsung and should be considered unofficial [The Flip Side of Free](#) Michael Kende, 2021-03-09 Why free comes at a price the costs of free internet services in terms of privacy cybersecurity and the growing market power of technology giants The upside of the internet is free Wi Fi at Starbucks Facetime over long distances and nearly unlimited data for downloading or streaming The downside is that our data goes to companies that use it to make money our financial information is exposed to hackers and the market power of technology companies continues to increase In The Flip Side of Free Michael Kende shows that free internet comes at a price We re beginning to realize this Our all purpose techno caveat is I love my smart speaker but is it really tracking everything I do

1999: The Year That

Partied Like It Was... Well, You Know Rod Perry, If the entire decade had been building towards one moment 1999 was it a glittering bug fearing millennium hurtling pop culture crescendo There was excitement There was panic There were an awful lot of silver trousers Prince s prophecy finally came true and everyone was partying like it was 1999 because it was 1999 Ricky Martin brought the Livin La Vida Loca energy Steps kept us synchronised and Christina Britney and J Lo took over our CD shelves our walls and our dial up internet connections The charts were shiny and sugar rush silly but the cinema was all about cool black coats and coded messages The Matrix blew our minds and bent our spoons Meanwhile Fight Club told us not to talk about it and The Blair Witch Project scared the VHS fuzz out of us Sopranos changed TV forever and The Sixth Sense made us realise we d been wrong the entire time We got S Club 7 we got Craig David and we got Napster which meant we could now ruin the music industry from the comfort of our own bedrooms All while anxiously hoarding baked beans in case the Millennium Bug turned off the world 1999 the year the 90s took a final glittery bow and the 2000s peeked around the corner wearing wraparound sunglasses

The Heart of Business Hubert Joly,2021-05-04 A Wall Street Journal Bestseller Named a Financial Times top title How to unleash human magic and achieve improbable results Hubert Joly former CEO of Best Buy and orchestrator of the retailer s spectacular turnaround unveils his personal playbook for achieving extraordinary outcomes by putting people and purpose at the heart of business Back in 2012 Everyone thought we were going to die says Joly Eight years later Best Buy was transformed as Joly and his team rebuilt the company into one of the nation s favorite employers vastly increased customer satisfaction and dramatically grew Best Buy s stock price Joly and his team also succeeded in making Best Buy a leader in sustainability and innovation In The Heart of Business Joly shares the philosophy behind the resurgence of Best Buy pursue a noble purpose put people at the center of the business create an environment where every employee can blossom and treat profit as an outcome not the goal This approach is easy to understand but putting it into practice is not so easy It requires radically rethinking how we view work how we define companies how we motivate and how we lead In this book Joly shares memorable stories lessons and practical advice all drawn from his own personal transformation from a hard charging McKinsey consultant to a leader who believes in human magic The Heart of Business is a timely guide for leaders ready to abandon old paradigms and lead with purpose and humanity It shows how we can reinvent capitalism so that it contributes to a sustainable future
