*Apple. Social Responsibility and Supply Chain Management* Ariharan Jeyarajah, 2016-11-23 Studienarbeit aus dem Jahr 2015 im Fachbereich BWL Unternehmensforschung Operations Research Note 1 3 Fachhochschule Aachen Sprache Deutsch Abstract MacBook iPad iPhone Apple Watch Devices that determine my personal life and I do not want to miss anymore These Products influence the way I communicate with my friends and family how I browse the web how I organize myself how I capture important moments and even how I watch my fitness On the one hand they are the gateway to the digital world and technical devices on the other hand they are also very personal items customizable and loyal companions which are sometimes anthropomorphized by our society Apple the company behind these innovative products became one of the most iconic brands of the world The company is known for great design and a nice product experience Apple tops Amazon Facebook Google Microsoft and other big companies in Greenpeace s Clean Energy Index but was also criticized for incredibly high

prices and poor working conditions for years<sup>1</sup> So what's behind these products which are an indispensable part of our lives and what processes happen until we call them our own Did children or the environment suffer so that I could buy it Is Apple really thinking so different as they claim to do Are they just greening their image or are they really caring about their workers and the environment Is that all overpriced crap with which they played me These are the questions I am asking myself and I would like to address a few of them in this term paper
