Meditation As Contemplative Inquiry When Knowing Becomes Love:

Meditation as Contemplative Inquiry Arthur Zajonc, 2008-09-01 7 lectures various cities April 17 May 26 1914 CW 154 What is the relationship between those who have died and those who remain alive on Earth Can we help those now in the spiritual world Can they help us In these talks Rudolf Steiner deals with the spiritual relationships that the living can have with those who have crossed over the threshold between life and death In a realistic practical way he shows how an understanding of our spiritual nature reveals ways of knowing a world undreamed of by materialists The tone of these talks is warm and moving clearly drawn from Steiner's own experience and the lives of those who had died and who were personally known to him Robert Hamerling Christian Morgenstern and others This important work is for those who are coming to terms with the death of a loved one This book is a translation from German of *Wie erwirbt man sich Verständnis für die geistige Welt Das Einfließen geistiger Impulse aus der Welt der Verstorbenen* GA 154 *Achtsamkeit und pädagogische Professionalität in der Lehrer*innenbildung* Dominik Weghaupt, 2024-05-06 Achtsamkeit ist als Gesundheitsförderung in Schule und Lehrer*innenbildung angekommen ihr pädagogisches Potential geht aber weit darüber hinaus Dieses nimmt Dominik Weghaupt in den Blick und erforscht Achtsamkeit als Handlungsform sowie als psychologische Variable in bildungswissenschaftlicher Hinsicht Er zeigt philosophisch die Charakteristika achtsamkeitsbasierter Lehrveranstaltungen auf analysiert Achtsamkeitsbildungen als pädagogische Praxis und diskutiert den personalen Aspekt pädagogischer Professionalität Ebenfalls Gegenstand der Analyse sind die Prozesse von Selbstregulation und Selbstkenntnis in Verbindung zu Achtsamkeit wodurch diese als ein moderierender Faktor für gelingendes pädagogisches Handeln hervortritt *Engaging with Meditative Inquiry in Teaching, Learning, and Research* Ashwani Kumar, 2022-05-30 This collection of multidisciplinary essays explores the transformative potential of Ashwani Kumar's work on meditative inquiry a holistic approach to teaching learning researching creating and living in diverse educational contexts Aspiring to awaken awareness intelligence compassion collaboration and aesthetic sensibility among students and their teachers through self reflection critique dialogue and creative exploration this volume Showcases unique ways in which scholars from diverse disciplinary cultural and geographic contexts have engaged with meditative inquiry in their own fields Provides a space where African Asian Buddhist Indigenous and Western scholars engage with the idea of meditative inquiry from their own cultural philosophical and spiritual traditions perspectives and practices Explores a variety of themes in relation to meditative inquiry including arts based research poetic inquiry Africentricity Indigenous thinking martial arts positive psychology trauma dispute resolution and critical discourse analysis Offers insights into how the principles of meditative inquiry can be incorporated in classrooms and thereby contributes to the growing interest in mindfulness meditation and other holistic approaches in schools and academia The diverse and rich contributions contained in this volume offer valuable perspectives and practices for scholars students and educators interested in exploring and adopting the principles of meditative inquiry in their specific fields and contexts *Storying our*

Relationship with Nature Amanda Fiore, Jing Lin, 2024-03-07 This book takes readers on a journey that is part storytelling part academic analysis and part spiritual exploration The authors identify the climate emergency as a breakdown in spiritual consciousness which fails to recognize our deep interconnection with Nature To meet this crisis of spirit Storying Our Relationship with Nature serves as a guide for transforming ourselves and our lives through story and highlights the importance of social and emotional aspects of environmental education The authors introduce the philosophical and historical foundations of our objectification of Nature as a commodity and describe the effect this view has on our lives They detail a path forward through storytelling contemplative practice Eastern philosophy and the transformative power of education Throughout the book reflective activities provide a space for the reader to personalize their learning leading the reader towards the book's central message once we learn to consciously re-story our relationship with Nature we can transform our cultural narrative of fatalism and greed into one of love determination and possibility helping us move towards a sustainable future

Contemplative Pedagogies for Transformative Teaching, Learning, and Being Jing Lin, Tom E. Culham, Sachi Edwards, 2019-11-01 In our current systems of education there is a trend toward compartmentalizing knowledge standardizing assessments of learning and focusing primarily on quantifiable and positivist forms of inquiry Contemplative inquiry on the other hand takes us on a transformative pathway toward wisdom morality integrity equanimity and joy Zajonc 2009 These holistic learning practices are needed as a counterbalance to the over emphasis on positivism that we see today In addition to learning quantifiable information we also need to learn to be calmer wiser kinder and happier This book aims to find and share various pathways leading to these ends This book will describe educational endeavors in various settings that use contemplative pedagogies to enable students to achieve deep learning peace tranquility equanimity and wisdom to gain new understanding about self and life and to grow holistically Embodiment is a central concept in this book We hope to highlight strategies for exploring internal wisdoms through engaging ourselves beyond simply the rational mind

Contemplative pedagogies such as meditation yoga tai chi dance arts poetry reflective writing and movements can help students embody what they learn by integrating their body heart mind and spirit

Mindfulness and Contemplative Interaction for Higher Education David N. Sable, 2025-12-17 This book situates mindfulness and contemplative interaction at the heart of transformative learning for a more sustainable and compassionate world Drawing on a mixed methods study of a specific set of reflective learning activities introduced to undergraduates in Canada the book highlights the importance of critical thinking and the necessity of the underlying affective dispositions to transformative learning It argues that contemplative practices can play a central role in creating an unexpected sense of connectedness even among students who do not agree with each other who may come from widely different backgrounds and who may not speak English as a first language These practices encourage students to improve their listening skills suspend judgments and explore multiple points of view without confirmation bias or rigidity Mindfulness and contemplative interaction are further discussed in the context

of the growing use of generative AI in higher education and the practical issues of student evaluation and feedback This forward thinking volume will appeal to contemplative practice scholars in the field of higher education as well as educators and researchers with interests in transformative learning critical thinking and applied mindfulness *Lectio Divina as Contemplative Pedagogy* Mary Keator,2017-12-14 Offering an original application of the ancient monastic practice of lectio divina to the humanities this book demonstrates the need for further emphasis on deep reading reflection and contemplation in contemporary university classrooms Each chapter provides readers with an historical overview of the four movements of this monastic method lectio reading meditatio interpreting oratio responding and contemplatio experiencing wisdom and suggests ways to incorporate these practices in humanites courses Keator demonstrates that the lectio divina method is a viable pedagogical tool to guide students slowly and methodically through literary texts and into a subjective experience of wisdom and meaning Teaching Gloria E. Anzaldúa Margaret Cantú-Sánchez,Candace de León-Zepeda,Norma Elia Cantú,2020-09-29 Gloria Evangelina Anzaldúa a theorist Chicana feminist famously called on scholars to do work that matters This pronouncement was a rallying call inspiring scholars across disciplines to become scholar activists and to channel their intellectual energy and labor toward the betterment of society Scholars and activists alike have encountered and expanded on these pathbreaking theories and concepts first introduced by Anzaldúa in *Borderlands La frontera* and other texts *Teaching Gloria E Anzaldúa* is a pragmatic and inspiring offering of how to apply Anzaldúa's ideas to the classroom and in the community rather than simply discussing them as theory The book gathers nineteen essays by scholars activists teachers and professors who share how their first hand use of Anzaldúa's theories in their classrooms and community environments The collection is divided into three main parts according to the ways the text has been used Curriculum Design Pedagogy and Praxis and Decolonizing Pedagogies As a pedagogical text *Teaching Gloria E Anzaldúa* also offers practical advice in the form of lesson plans activities and other suggested resources for the classroom This volume offers practical and inspiring ways to deploy Anzaldúa's transformative theories with real and meaningful action Contributors Carolina E Alonso Cordelia Barrera Christina Bleyer Altheria Caldera Norma E Cant Margaret Cant Sánchez Freyca Calderon Berumen Stephanie Cariaga Dylan Marie Colvin Candace de León Zepeda Miryam Espinosa Dulanto Alma Itz Flores Christine Garcia Patricia M García Patricia Pedroza González María del Socorro Gutiérrez Magallanes Leandra Hernández Nina Hoechtl Rán Lozano Socorro Morales Anthony Nuño Karla O'Donald Christina Puntasecca Dagoberto Eli Ramirez Jos L Saldívar Tanya J Gaxiola Serrano Verónica Solís Alexander V Stehn Carlos A Tarín Sarah De Los Santos Upton Carla Wilson Kelli Zaytoun **Crafting a Curriculum of Coherence** Martyn Rawson,Kath Bransby,2025-10-09 *Crafting a Curriculum of Coherence* is a transformative guide that equips educators with the knowledge and tools to create a new kind of educational journey for children and young people informed by the unique insights of Steiner Waldorf education Drawing upon years of experience expertise and research the authors present a step by step guide for curriculum renewal design and delivery to create meaningful coherent learning

experiences that inspire and empower learners The chapters offer a new way of conceiving skills as knowledgeable action with purpose They cover a potentialities and competencies approach which makes learning truly holistic and a layered curriculum model that moves from philosophy to classroom practice enabling the development of coherent curriculum in any social or cultural setting Featuring real life examples case studies and thought provoking exercises the book encourages readers to think critically and creatively about education Exploring the interplay between curriculum design pedagogy and assessment this is an indispensable resource for educators who are dedicated to shaping a world where every child and young person can flourish

Reconstructing 'Education' through Mindful Attention Oren Ergas,2017-01-21 This book reconstructs the idea and practice of education Rather than conceiving of education as a process we undergo in which our minds are shaped by a social vision Oren Ergas turns this notion of education on its head arguing instead that we ourselves construct education The multitude of problems with formal education and schooling such as violence inequality and low achievements are then seen as reflections of problems of the mind meaning that close study of the mind is necessary if these problems are to be successfully tackled Through philosophy neuroscience and psychology this book proposes a new perspective on educational theory practice and research It will be of great interest to students and teachers scholars of education and educational policy makers

Humanity's Last Stand Nicanor Perlas,2018-07-25 Although still in its earliest stages artificial intelligence AI is radically transforming all aspects of society With the immanent emergence of Artificial Super Intelligence ASI and the illusory temptations of transhumanism mankind stands at a crossroads In Humanity's Last Stand Nicanor Perlas makes an urgent plea It is imperative he says that we take immediate steps to ensure that digitized technology is aligned to human values and priorities Otherwise ASI will kill the essence of our humanity Further if we do not master it now ASI will transform mankind into its own image Ultimately it will destroy the human race AI experts have not offered a single cogent solution to this existential threat Rudolf Steiner however not only foresaw these developments but gave clear alternatives Steiner the founder of a contemporary scientific approach to spirituality provided philosophical ontological and social innovations to save humanity from the abyss It is the task of the global anthroposophical movement to pioneer this civilization saving work to establish spiritual scientific ideas in mainstream culture that would allow AI to emerge in a healthier societal context Perlas gives an overview of the phenomenon of AI together with its related transhuman concepts of perfecting humanity and outlines the critical internal and external responses required to meet them with consciousness In particular he addresses the movement connected to the work of Rudolf Steiner indicating its all important tasks to cooperate with progressive individuals and movements including scientists and civil society activists to mobilize its daughter movements for action and ultimately to cooperate with the spiritual powers that have guided and served humanity since the dawn of time This says the author is humanity's last stand and failure is not an option
