So what exactly is meditation? Meditation is a way of getting in touch with your true self. It can be used to still the mind and to harness the energies inside you and all around you. Meditation is nothing new. It was used by the great Buddha and many other spiritual gurus over the centuries. Meditation is quite hard to define because the only way to fully realize its meaning is by experience. Meditation may mean different things to different people. What Will I Learn? If you are wondering what this book is going to teach you, here are some of the key points you need to know:
