The "Supernatural Powers" in the Marriage Sacrament: Christ's Unique Saving Gift to Husband and Wife Jeff Edward Poulin, 2023-04-10 Entrenched in the teachings of the Church and enriched by the Bible is an untapped wealth of truth and what Pope Pius XI in his encyclical *Casti Connubii* calls supernatural powers concerning sacramental marriage that awaits those willing to undergo the journey In this book *The Supernatural Powers in the Marriage Sacrament* those who seek will indeed find that through a systematic and tenable development of marriage its mystery is not only illustrated and unveiled but perpetuated in the supernatural gifts that Christ has embedded in this vocational Sacrament Throughout these pages as the marital union unfolds through the lens of Christ across the Old and New Testaments Christian spouses will be moved by the depth of their own calling and inspired with renewed vigor to pick up the torch and to live out that life a life which has been ordained by God in holiness as a truly unique and efficacious revelation of the redeeming power of Christ In Part I of *The Supernatural Powers in the Marriage Sacrament* the first seven chapters are specifically designed to lead deacons catechists and lay Catholics especially husbands and wives to learn through a gradual yet intensively biblical and theological journey towards the unveiling of the unique redeeming gift to spouses that which is seen established and empowered through Christ at the Cross Here one finds the specific dynamics of that Sacramental gift unpacked and the sound spiritual evidence laid out for why there is such an absence of this marital fruit in our modern era In Part II Poulin then unpacks in greater detail how marriage and the gender of husband and wife serve as a revelation about man salvation and the Blessed Trinity and just how the religious life falls within that plan without contradiction or constraint Lastly in Part III Jeff Poulin puts under the microscope through the lens of the Church the powerful words of St Paul in 1 Corinthians 7 14 and defends the charge that the simplest Catholic explanation that which is often dismissed merits a serious second look

Revelation in a Pluralistic World Louis Roy, 2022-08-25 Since the Enlightenment the churches have progressively suffered a severe loss of status because of their belief that revelation is realized only in Christianity The suggestion that Christian revelation might be truer than other so called revelations seems to be preposterous This book argues that this insistence has often remained unnuanced and simplistic with the consequence that not only unbelievers as well as believers of other religions but even numerous Christians no longer agree with the primacy of a truth revealed in Jesus Christ The book addresses the difficulties affecting the interpretation of belief given modernity's concerns The volume sets out a provisional synthesis on revelation and it makes available much expository and historical information It correlates distinctions between pair members such as the natural and the supernatural conceptualism and intellectualism heart and reason subjectivity and objectivity limited perspective and universal viewpoint permanence of doctrine and historicity Christian and non Christian claims regarding truth revelation and divine speech moderate and radical pluralism Jesus absolutized and Jesus relativized The thrust of the argument is towards an appropriation of what is best in ancient medieval and modern traditions on revelation This book delineates in an original way a position on revelation that is at once traditional and relevant for today It accepts many values brought to the fore by modernity and draws from exegetes historians philosophers and theologians Its inspiration comes principally from the Bible Thomas Aquinas John Henry Newman and Bernard Lonergan **Johannine**

Sabbath Conflicts as Juridical Controversy Martin Asiedu-Peprah, 2001 There is unanimity among Johannine scholars that one distinctive characteristic of the Fourth Gospel is the fact that the evangelist presents Jesus as caught in long drawn out juridical confrontations between himself and the Jews Martin Asiedu Peprah examines the two Sabbath conflict narratives in the Fourth Gospel from a narrative critical perspective and thus takes a fresh look at the Johannine juridical metaphor In doing so he attempts to pursue a three fold objective First he determines the precise nature of the juridical metaphor used in the two narratives and on the strength of it he undertakes a critical reading of the texts under study with the view to shedding new light on their meaning Then he examines the role of this specific juridical metaphor in the two narratives The question here is for what purpose and how is this specific juridical metaphor used within the narrative framework of the two narratives Finally he explores the historical setting of the two narratives and infers from it the social function the juridical metaphor would have played within the Johannine *Sitz im Leben* In the light of his results Martin Asiedu Peprah makes an attempt to examine very briefly the entire section of John 5 1 10 42 to see if the presence of the juridical controversy pattern in this section can throw light on one crucial issue in Johannine research namely the purpose of the Gospel in its present form *Raising Uncommon Kids* Sami Cone, 2016-01-12 The single greatest lesson parents teach their kids isn't anything they say it's what they do And while most parents would say they want to raise compassionate kids they might be surprised to discover just how little they're actually modeling the behaviors they hope to pass on qualities such as unconditional love gentleness forgiveness patience gratitude humility and more In this unique book Sami Cone shows parents a new way to look

at molding their children one in which focusing on adding good behaviors and attitudes is more powerful than eliminating bad ones Grounding her advice in Scripture specifically the twelve characteristics found in Colossians 3 12 17 Cone offers plenty of stories from her own life to show these principles in action And she offers practical things parents can do right now to create a home and family that exhibits love harmony and generosity of spirit in a self centered world *Impossibilities* Bishop Alexander Phillips,2010-05-18 In life success comes to you if you can dream big enough and believe what you dream can come true Impossibilities simply mean that all things are possible if you can believe In this book you will find the keys to success if you follow the concept that the author has outlined through these chapters Whether its healing for your health prosperity for your wealth you can do better As you read this book you will find through each page a message and keys to success Above and Beyond All Circumstances God Has a Unique Answer Rev. Dr. C. B. Jones,2010-07-26 Walking Through the Valley with the Lord Psalm 23 The Lord is my shepherd I shall not want He maketh me to lie down in green pastures he leadeth me beside the still waters He restoreth my soul he leadeth me in the paths of righteousness for his names sake Yea though I walk through the valley of the shadow of death I will fear no evil for thou art with me thy rod and thy staff they comfort me Thou preparest a table before me in the presence of mine enemies thou anointest my head with oil my cup runneth over Surely goodness and mercy shall follow me all the days of my life and I will dwell in the house of the Lord for ever Have a Great Journey A Unique Time of God Karl Barth,2016-12-30 World War I changed Karl Barth s theology forever In this book William Klempa presents for the first time in English thirteen sermons that offer Barth s unique view and commentary on the Great War Barth saw the war as a unique time of God believing it to represent God s judgment on militarism The sermons reveal a deep strain of theological wrestling with the war s meaning as Barth comes to see the conflict as the logical outcome of all human attempts to create God in our own image As it demonstrates a decisive shift in Barth s early theology this volume is essential for anyone who wishes to understand the twentieth century s greatest theologian *Celebrate the Unique You.* Renee LoDolce,2016-05-23 You can celebrate what God made you to be Have you lost sight of who you are and your unique individualism Are you caught up in the chaos of life and the role you hold as someones wife mother co worker or church member You and so many other women are not alone Renee has been there and she will show you how to rely on Gods word and help you discover and celebrate the you that God made you to be God will reveal Himself to you and you will see how incredibly awesome a designer He is That awesome designer created YOU You will grow in the discovery of yourself as well as your Heavenly Creator and the more you uncover the more youll want to learn God doesnt want your life to be chaotic or routine instead its to be a celebration a learning adventure every day and this book will help you start that journey The British Friend ,1851 Love's Intercession Angela Mah,2024-03-29 Every person has a unique life story and a relationship with God that is theirs alone Angie has reflected on her spiritual journey and found that if you take the time to look to God and ask for support surprising revelations and events occur Angie s story is an

illustrated story describing events from childhood to mid life She has continually searched for meaning and purpose in her life and thought that being a professional engineer would provide that for her but she always felt unsatisfied It was not until the occurrence of several significant events throughout her life that her search for meaning and purpose would lead her on a spiritual journey for answers She shares her life story with readers to help them reflect on their own life s events to find meaning and purpose Each of us must reflect on all the good and bad events in our lives and see the bigger picture God has in store for us Life s events are not always a large spectacular miracle but a life of small events that culminates into something grand for each person You can find your own meaning and purpose through faith in God the Bible and prayer and meditation
