him but there's something off with the man. Something very off. She can't put a finger on it and no one is interested in letting her in on it. So these two will play the avoidance dance until they are united in a cause to defeat a demon prince with a hell of a grudge. Tazarek. Tazarek spent years being controlled by a prince of hell. He wants to give into the darkness. To surrender to the dark side of himself. What else is a demon who's been tormented to do? Now he's ready for a life of his own. On earth. Or is he? Eliza's been marked by an ancient demon. She's been tossed out of her coven. Exiled. Doomed to live alone in the woods. Until one day a dark haired demon enters her life. For the second time. Aithen. Aithen's having headaches that aren't headaches. How's he supposed to tell Olivia the truth about what's happening to him? Haunted by memories he shouldn't be remembering. He wasn't sure how there wasn't blood. For a horrible second he thought she was going to slice her own throat open and his hand tensed. I've been dead for years. Make it official or leave. I have work to do. Conan's not going to let Cyrene walk away from him again. Not ever.

So when shop owner Sylvia Redferne asks her to help her test a new dating app, she doesn't think twice about spearheading the operation. What Charlotte hadn't counted on Logan Fourier. Logan's a wolf shifter that's damned good on computers. He doesn't mind doing Sylvia Redferne a favor and building a dating app. Who would, considering how much Sylvia's offering to pay him for his services? What Logan hadn't counted on Charlotte's a spitfire with a tough shell. How's he supposed to crack that shell when she thinks he's an alphahole instead of an alpha? Things don't go so well when he decides to create a dummy account and fools her into falling for his alter ego. Things really go to hell in a handbasket when the secret he's been harboring resurfaces. Can busybody Sylvia Redferne help this couple find their way back to each other or have Logan's bullheadedness and Charlotte's defenses put up more obstacles than a witch stripped of her powers can handle? Misguided. One of Charlotte Perkins' besties has told Charlotte not to include her in the dating app that Logan Fourier created. The same app that more or less gave Charlotte and Logan their HEA. Why not? Why wouldn't Charlotte want her own happily ever after with a hunky shifter? Well, for starters, Charlotte hasn't told any of her besties that the guys on the dating app, the guys from Shotgun Falls, aren't regular guys. How's Charlotte supposed to even bring that up? Of course that's not what
