Mel Bay A Celtic Fiddle Christmas:

Fingerstyle Guitar Tunes - Christmas in the British Isles Raymond Gonzalez, 2022-10-05 Christmas Carols in the British Isles presents 20 songs from the Renaissance through early 20th century. It includes familiar compositions such as the Coventry Carol, Away in a Manger, and the Wexford Carol, and incorporates some lovely pieces that may be new to the listener. The melodies for these lyrical pieces appear in their most easily recognized form before any variation is presented. Raymond Gonzalez has a gift for combining traditional harmonies with occasional harmonic and rhythmic twists, providing freshness, color, and new life to familiar tunes. All arrangements are in standard or dropped D tuning, suitable for both steel and nylon string guitar performance and should be comfortably accessible to the intermediate guitarist. The reader is referred to the tablature for string fret and harmonic locations. The book includes access to online audio of every tune recorded by the author.

Newfoundland Fiddle Music in the 21st Century Dr. Bridget O'Connell, 2021-06-22 This meticulously researched anthology presents detailed biographies and transcriptions including bowing ornamentation and accentuation of 39 fiddle tunes as played by 25 Newfoundland fiddlers from locations throughout the island. For unparalleled authenticity, the author's live field recordings of each tune are available online, offering a unique perspective of the various types of tunes and techniques favoured by past and present Newfoundland fiddlers. Newfoundland, a former British colony, possesses a rich and varied cultural heritage due to its history of unique settlement patterns. Beginning in the 16th century, European migrants from Ireland, Scotland, West Country, England, and France settled on the island, bringing with them their various cultural practices, including their fiddles. This collection provides insight into the backgrounds, geographical locations, and musical preferences of the individual players and how music making and the role and status of Newfoundland fiddlers have evolved over time. The tunes included here vary from original compositions and revival collectors' treasures to reinterpreted versions of timeless Irish, Scottish, and French tunes. Together, they form a part of the modern-day Newfoundland fiddling tradition. This book will delight fiddle players and any musician who wishes to further enhance their repertoire and technique or simply learn more about the island of Newfoundland and its music. Includes access to online audio.

J. S. Bach: Sacred Songs and Arias from Schmelli's Hymnal for Voice and Guitar BWV 439-507 Matthias Stegmann, 2019-10-03 Johann Sebastian Bach s arrangements of the 69 Sacred Songs from the Musical Hymnal by Georg Christian Schemelli Leipzig 1736 have long been part of the German language vocal concert repertoire and a mainstay in vocal pedagogy Originally only these 69 of the 954 hymns in the collection were published with a single bass line as the accompaniment Bach s contribution was to specify harmonies to be played over those same bass lines by adding figured bass

numbers and symbols beneath each note A figured bass line can easily be turned into a relatively simple guitar accompaniment or a more elaborate setting offering a range of possibilities that make working with this music both interesting and rewarding for the guitarist While other period and modern editions of the 69 Sacred Songs offer accompaniments for keyboard instruments this Mel Bay publication features intermediate to advanced transcriptions exclusively for the guitar Best suited to college level players or advanced aficionados this special Mel Bay Publications edition includes the vocal line with German lyrics and the guitar accompaniment transcribed from Bach's figured bass lines Written in guitar friendly keys 29 of the transcriptions employ a capo to achieve the original key designed for high voices Without the capo these same arrangements would be suitable to be sung by lower voices The remaining 40 hymns are in their original guitar friendly keys and so do not require a capo This volume contains accompaniment settings of all 69 of the sacred songs and arias for which Bach wrote figured bass annotation For performance variety and convenience this book includes Scores in their Original Keys and stand alone Guitar Accompaniment and Bass Parts
