Revised to reflect the latest developments in employment law, the third edition of *101 Sample Write-Ups for Documenting Employee Performance Problems* includes expertly crafted, easily customizable write ups that address sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse and more. With each sample document also including a performance improvement plan, outcomes and consequences and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues. *Notes on Leave of Absence for the Use of Time Clerks, Payroll Clerks, Auditors, and Supervisors* United States Civil Service Commission, 1943 Arbitration Handbook, 1974 *Official Gazette* Philippines, 1987 **Annual Report of the Superintendent of Schools**, 1858

Teacher's Guide to Tackling Attendance Challenges Jessica Sprick, Tricia Berg, 2019-02-19 Students can succeed in school but they must be in school to do so. Addressing absenteeism is as important as addressing problematic behavior and academic difficulties in the classroom. To address the pervasive issue of chronic absenteeism that is missing 10 percent of school days for any reason, educators must begin to move away from a model of reliance on reactive and punitive approaches and toward one that is preventive and positive and that uses proven principles of behavioral change. *Teacher's Guide to Tackling Attendance Challenges* by nationally known educators Jessica Sprick and Tricia Berg provides teachers with the information and resources they need to build a strong classroom based initiative to improve the attendance of all students, creating a classroom culture of attendance with easy to implement strategies. Sprick and Berg provide concrete and practical strategies for teachers to implement in their own classrooms to address chronic absence and improve the attendance of all students, including a framework for implementation, sample lesson plans, examples and reproducibles for reinforcement systems, talking points for use with students and families, real world examples of successful classroom based approaches, handouts for parents on establishing routines, dealing with technology and more. When teachers apply the easy to implement and minimally invasive presented, they will see significant improvements in student attendance.
